Spirit Of '76 Invades Grant

Bicentennial Presentation A Success

By LIZ GORT

Congratulations go to the town of Fox Lake for being selected as a Bicentennial community. Some of the Bicentennial events have already taken place, such as the golf outing at the Fox Lake Country Club, the parade on the 4th of July. There is still more to come!

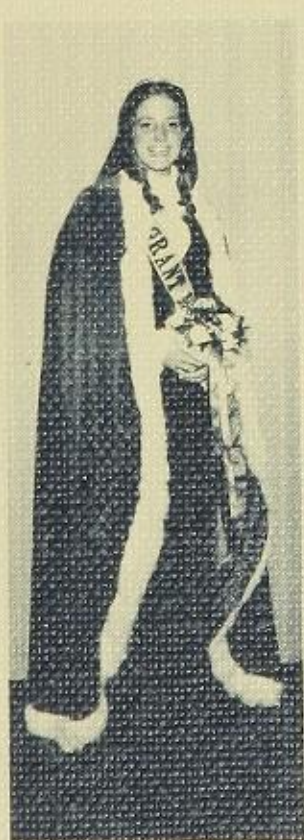

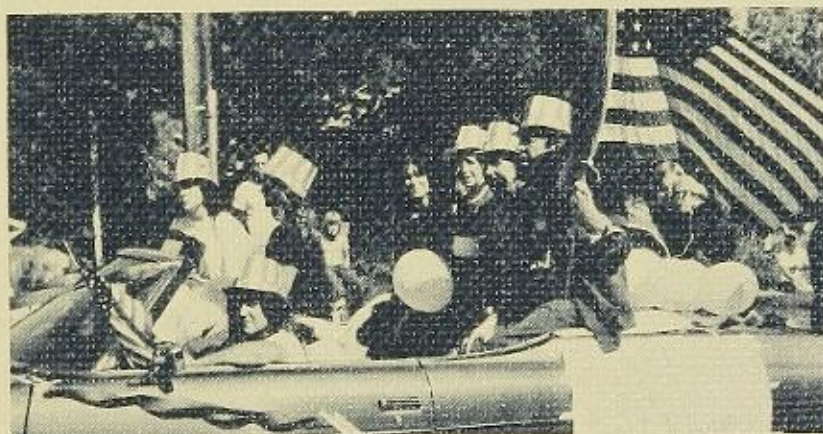

The Bicentennial Commission's overall goal is to raise funds to build a Community Center to serve our old and young residents. The problem is, however, that we are going to need a grant to help pay for the center.

Thank you's go to all the parents that attended the Flag Presentation on Sept. 17. The Grant High School Band, directed by Mr. Ring, provided patriotic selections including "America the Beautiful."

Hopefully, the representative there saw enough enthusiastic parents to get us the money grant to help build the community center.

At the presentation, a public announcement was made of all the planned events through the year 1976.

These events will include another parade followed by a community clambake, a pet parade for kids from the nursery school through A.A.R.P., and a regatta on the Chain O'Lakes.

Grant's Homecoming Has Bicentennial Air

Grant High School's Homecoming weekend is about to begin. This year the 28-year-old tradition has a Bicentennial theme.

EVENTS FOR STUDENTS will get underway on Friday, Oct. 3, with the morning pep rally and choosing of the homecoming king and queen.

Senior boys all that day will be busy gathering wood for the traditional 8 p.m. bonfire. Call the general office of the school at 587-2561 if you have any old boats, outhouses, etc. that you wish picked up.

SENIOR GIRLS will be occupied painting windows with homecoming scenes taunting the football opponent, the Warren Blue Devils.

On Friday night from 6:30 p.m. to 8 p.m.

the juniors play the senior girls in a flag football game followed by the traditional bonfire from 8 to 9:30 p.m.

A BONFIRE ROCK dance featuring the rock group, "Rocky", sponsored by the junior class will run from 9:30 to 11 p.m.

Festivities on Saturday, Oct. 4, will begin at 1 p.m. with the homecoming parade. In the evening the football games will begin one hour earlier than usual, the sophomore game beginning at 5 p.m. and the varsity at 7 p.m. Grant Bulldogs in each case will play Warren High School.

ALUMNI QUEENS will be honored at the Homecoming Dance at 9 p.m. in the gym. The alumni social will be held in the cafeteria.

The school is inviting everyone to join in all the Homecoming activities.

Hail to the Bulldogs

By Steve Kahler

With the prep football season over, it's time to pay tribute to the 1975 Grant Bulldogs. Although their North-West Suburban Conference championship was a team effort, a few of the individuals who helped make it all possible deserve a special mention.

For Head Coach Bill Baxter, the head coach of the Bulldogs, it was a necessary and hard-fought victory.

Kevin Kelly, a senior, was named all-conference along the best (if not the best) running back in the league.

Mike Simmons was named all-conference for his performance throughout the season. The Bulldogs finished the season with a record of 10-1 in the North-West Suburban Conference in section 1.

At a whopping 6 feet 3 inches and 225 pounds, the distinction of being the biggest Bulldog in the league still ahead of him, Mark was named all-conference. Grant High School has the honor of being the only school in the league to have a player named all-conference.

Grant High Blood Drive Schedule

Plans are being made for the next High School District blood drive.

This drive is scheduled for Saturday, Oct. 18, at Big Horn High School. Hours will be from 3 to 5 p.m. to work efficiently and to have a minimum, scheduled in advance.

Appointments are being accepted. Mrs. Neill, 1011 1st St., will be collecting blood.

Pop Concert "Jams" Audience

On Nov. 1975, the Grant's music department had its annual Pop Concert. This year the Band, directed by Mr. Ring, played a number of selected songs. They were: "The Star Spangled Banner," "McArthur Park," "Man of La Mancha," "New Sounds of the Carpenter," and "Instant Concert."

Closing EXIT only

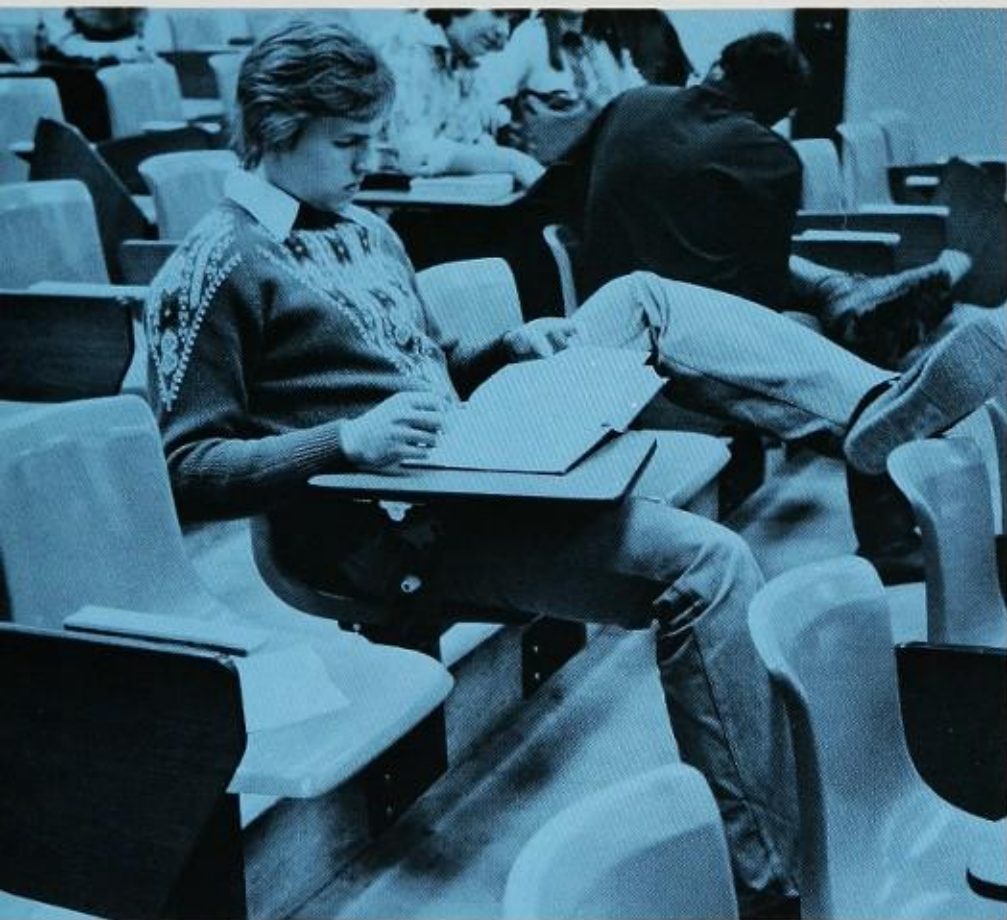

IN THE BEGINNING, THERE WERE CAVE-MEN. Their way of life was extremely atavistic and barbaric. The Neanderthal and Cro-Magnon men learned to manipulate rocks and stones into useful tools, to ransack the forests for food, to imitate crude sounds, and eventually to etch primitive letters upon cavern walls. Many of these men were cave-dwellers; some lived in the grassy plains, and some near the ocean waters. These cavemen were the beginning of modern man.

As time passed, man became intelligent and quick-witted. He was far more civilized than his ascendants. In later years, he became familiar with knight chivalry. Men of the table round, these knights in shining armor, rode upon steadfast horses and fought fervently in the great jousting tournaments. This was truly an era of knight gallantry. (No, this is not a lesson in history.)

The great pioneers, or settlers of this country, lived far differently than did the knights of the table round. They lived in the wilderness; they homesteaded new lands and explored new territories. It was hard work indeed. Communities grew. The nation soon became industrialized and began to prosper. This once barbaric land would be uncivilized no longer.

As one can see, people have changed and so have their lifestyles. Mentioned above are only a few of the civilizations which existed at one time and each had its own unique way of life. Tracing through a humanities book, one can discover the history and way of life of other civilizations, both ancient and modern.

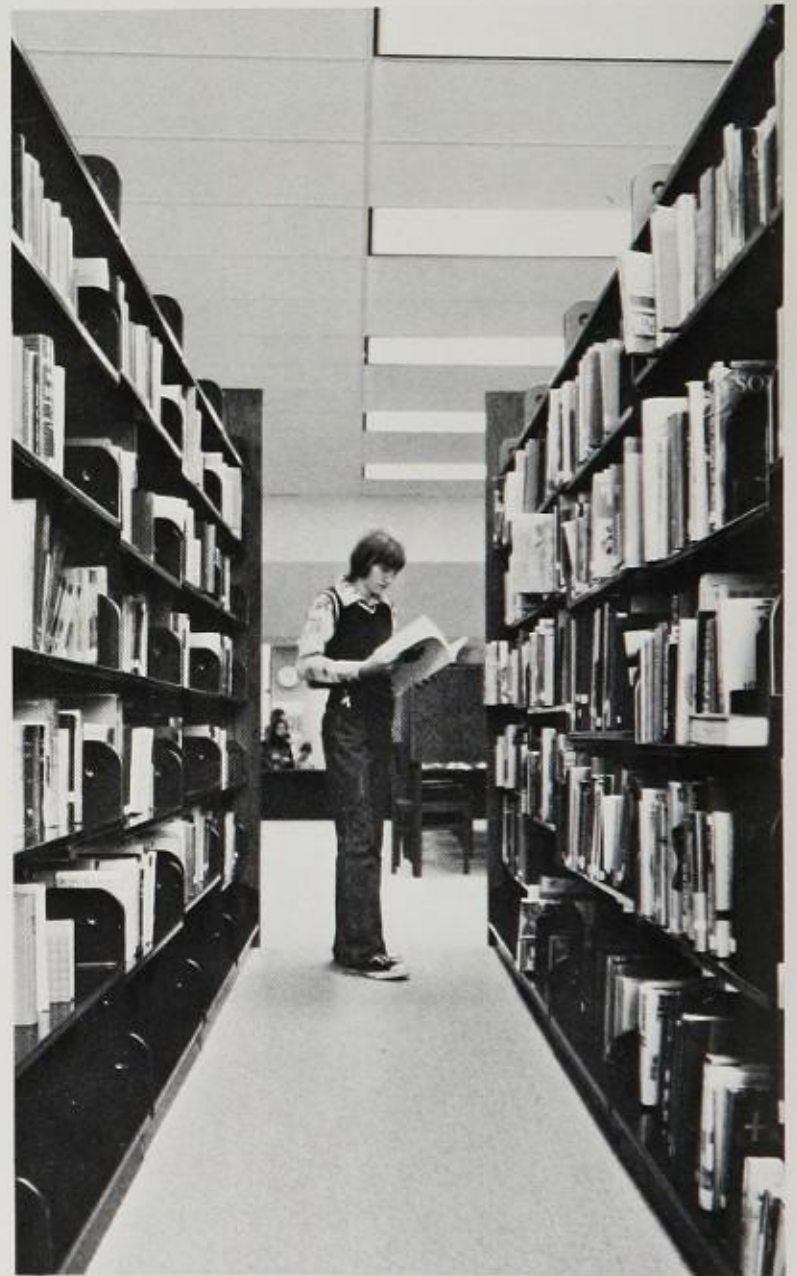

In today's society, there is occupational diversity among all people, young and old. There are wealthy business tycoons, executives, secretaries, physicians, doctors, lawyers, laborers, and high school students. Ah yes, high school students. Sound familiar? Those hard working, diligent, intelligent, studious and responsible people who wouldn't dream of missing a blessed and glorious day of school. Well, some students anyway.

Students also differ in their lifestyles. We can see these differences just by walking through the school. Some students are constantly wandering the halls and yelling after their friends, while others are working diligently in class trying to learn the tools of the trade. (If you'll pardon the expression.) In a way, they can be compared with the early cavemen who learned to manipulate rocks and stones, to imitate crude sounds and to sketch letters upon rocks. We can also find our cave-dwellers sitting quietly in the corners of classrooms or looking tranquilly out of windows.

What about our nights in shining armor? Certainly Grant's Football players, Wrestlers, Baseball players, Volleyball players, Tennis players, and others, could easily be compared with them. Through their efforts, Grant has placed high in all sporting events. Even Chivalry has not completely died; in fact, it has revived, but in a different man-

ner. Just as knights used to present maidens with flowers, males send flowers to female idols on special occasions. Now we go one step further; girls can also be seen buying flowers for their heros. Males, for example, proudly wore their Homecoming and Valentine boutonnieres.

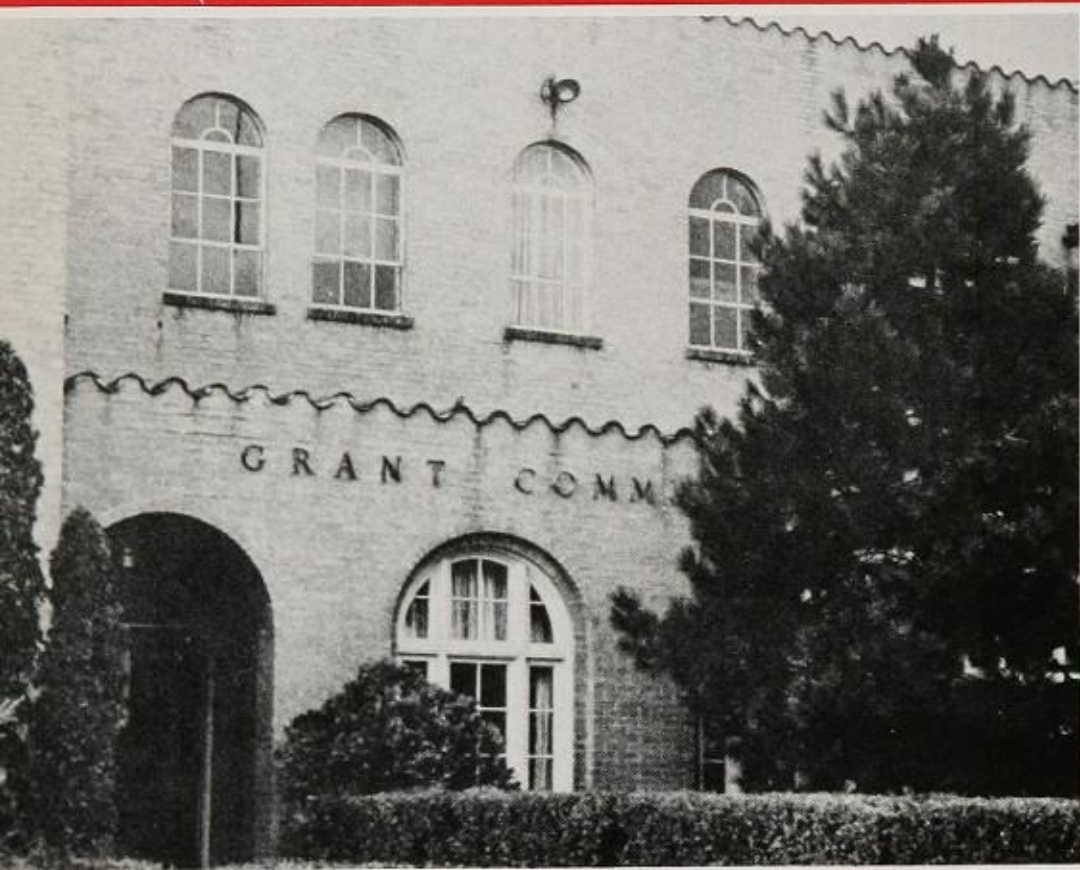

Many Grant students are also busy outside of school working for extra spending money. They have jobs in local stores, restaurants, and gas stations. These students are in many respects like the rugged pioneers. They work hard, they know where they are headed, and they usually achieve their goals.

Last, but not least, are the intellectual scholars who give Grant its name. They can usually be found in the chemistry and physics rooms writing Einstein's energy equations all over the blackboards. You may also notice them solving mathematical equations in their spare time.

Just as the caveman's way of life became diversified, so did the lives of generations of people which followed. Throughout the ages, people have learned to change with the times. Although some traditions remain, many fall by the wayside as each person strives to be an individual in his own right. Thus, Grant students, do not give up hope. Your lifestyle may be different, but that is what makes you "you".

PERSPECTIVE

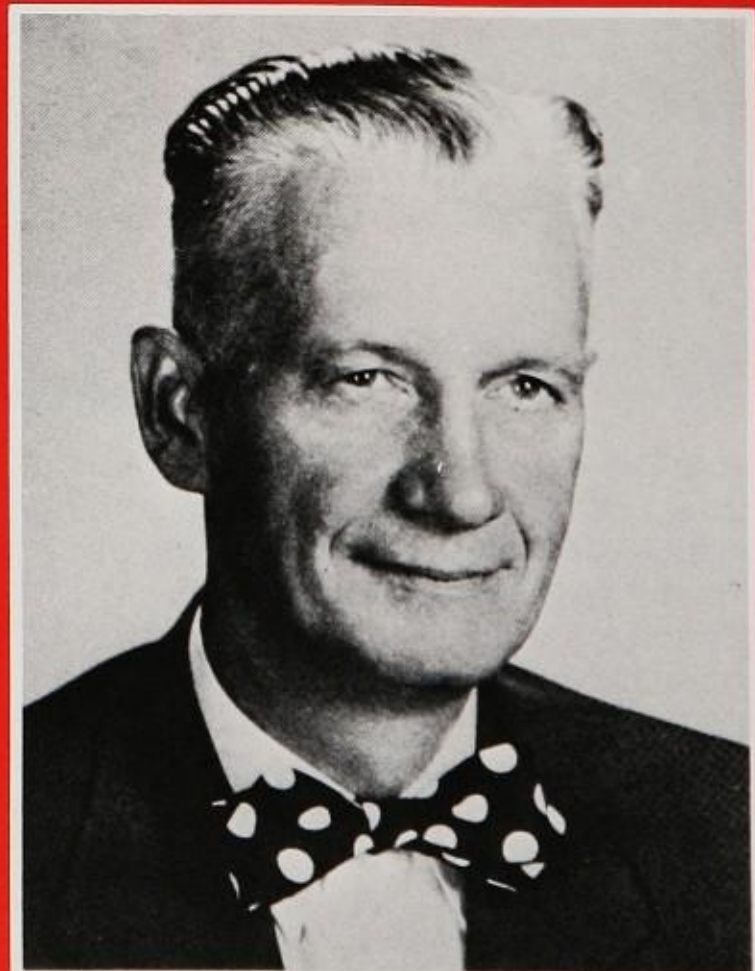

View of Grant High School in 1952

Jean Nicolet, a Quebec trade-explorer, was the first white man to visit the Fox Lake area. He came by canoe in 1635 and came in contact with the Pottawatomic Indians living here. Crab Apple Island, a large Indian cornfield, was well known for its game animal, the fox. This is what gave Fox Lake its name.

The earliest settlement in the area was at Fort Hill. In 1838, the first post office was erected; it was later moved to Big Hollow (then called "Goodale's Corners" after an innkeeper, Denvereaux Goodale) in 1849. For twenty years Grant Township was called Goodale Township. In 1867 the name was changed to Grant. The settlement included a blacksmith shop, tavern, schoolhouse, general store,

butter factory and a small community hall. The name of the settlement was later changed to "Dighton." In 1901, a fire destroyed most of the town. Some of it was never rebuilt.

Settlers continued to move in, however, by steamboat and later by train. On April 13, 1907, the village of Fox Lake was incorporated.

Before 1930, students in the area had to travel to either Libertyville or Antioch High School. In 1926, William Nagle, Frank Cremin, Paul Avery, and Sam Grahm tried to pass a ref-

erendum which would enable the town to build a new high school. The referendum held on December 21, 1929 was passed. The cost of the building came to \$96,000. The first Board of Education of the new Grant Community High School was elected. Mr. C. C. Claxton was chosen as the principal. The doors opened in 1930 to 110 students, and 10 teachers. Two of these teachers were Mr. Orr and Mr. Hodge. The first graduating class in 1931 consisted of nine girls and one boy.

John Moore became principal in 1935; in 1948 Wade L. Eberly became principal. As enrollment grew, additions were built. By 1953, Grant accommodated 570 students. The students took pleasure in the same activities that we now enjoy. They held Junior-Senior Dances, Proms, and yes, they even had a football team.

In 1955, the Varsity Football Team defeated Grayslake, Wauconda and Bensenville with a season record of 3-5. This year, Grant is proud to display the Conference Championship with a season record of 8-0.

In 1976, 1,100 Grant students enjoy the many educational facilities available. We've come a long way baby!

On September 29, Grant cheerleaders began this year's homecoming with their annual homecoming Spirit Week. Students participated in the crazy schedule consisting of everything from Stomp-'em-Boot day and Look Out Blue Devils-Eyeglass day to Button, Backward, and Inside out day and traditional Class Color day. On October 3, Red Hot Spirit Day, Grant prepared for its spectacular homecoming festivities, headed by this year's "Bicentennial" theme. The morning started as ambitious Senior girls set the spirit with colorful field, gym, and window decorations while the senior boys piled the bonfire high with

wood from all areas. At 1:30, students assembled in the gym for a festive pep rally and the crowning of Queen Annie and King Steve. As the night progressed, the Juniors defeated the Seniors in the Mock Football game and the bonfire was finally lit after long hours of wood collecting. An enormous crowd gathered as the pep rally began with the introduction of the king, queen, and court. At 9:30, a cold bunch of students headed for the cafeteria to dance and listen to the electrify-

ing sounds of "Rocky." Saturday, October 4, started out early for all beginning with an unbelievably beautiful day for the annual parade. People lined the streets as the parade followed its route throughout the town sporting the eye-catching red, white, and blue theme. The highlight of the evening, as always, was the football game that night. But this year, it was even more spectacular than ever. Our mighty Bulldogs bravely defeated their archrivals from Warren with a score of 34-7, a first since 1966. Halftime ceremonies consisted of the introduction of

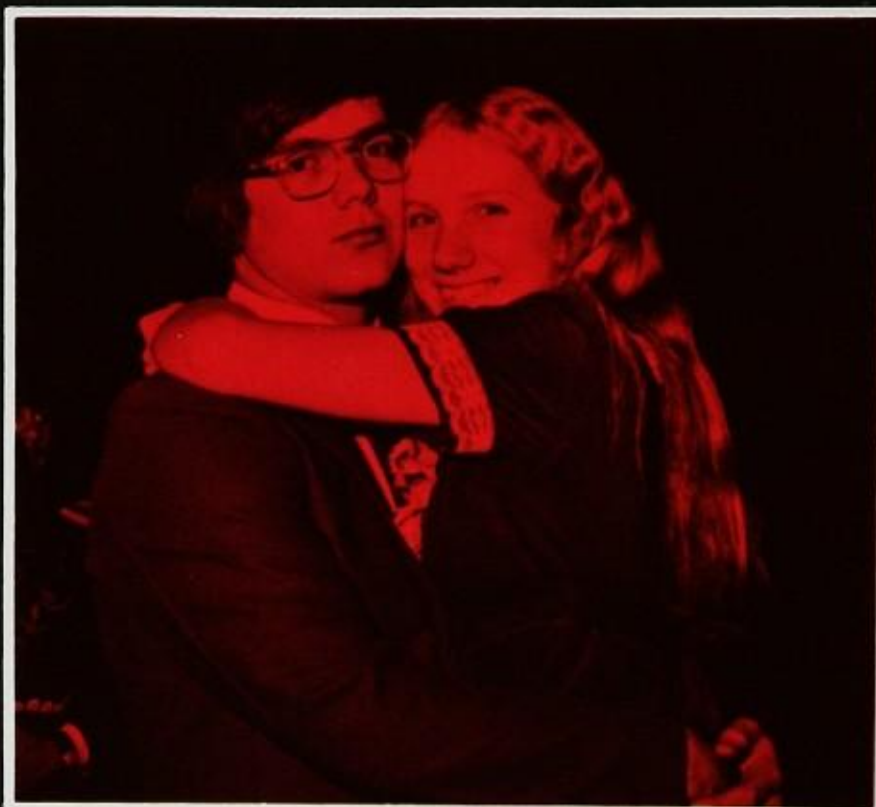

the queen and her court. Freshmen--first, Juniors--second, Seniors--third, and Sophomores--fourth were the class standings for float winners as the Pep Club proudly exhibited a first as the club float winner. Spirits were high as the happy Bulldogs attended the beautifully decorated formal dance accompanied by music from "Just Us." The evening ended with many happy couples heading for their victory dinners with the overwhelming feeling of another perfect homecoming coming to a close.

Snowflakes Decorate Christmas Formal

It seemed that the weather itself was invited to this year's Christmas Formal because of the many falling snowflakes outside.

The decorations fit the mood also because there were hundreds of snowflakes hanging on the walls and from the ceiling.

The band, "Just Us", was very well liked. Mickie Sopko, the singer, graduated from Grant in 1975 and was very highly praised.

There were many good comments on the dance, such as:

"The band was fantastic."

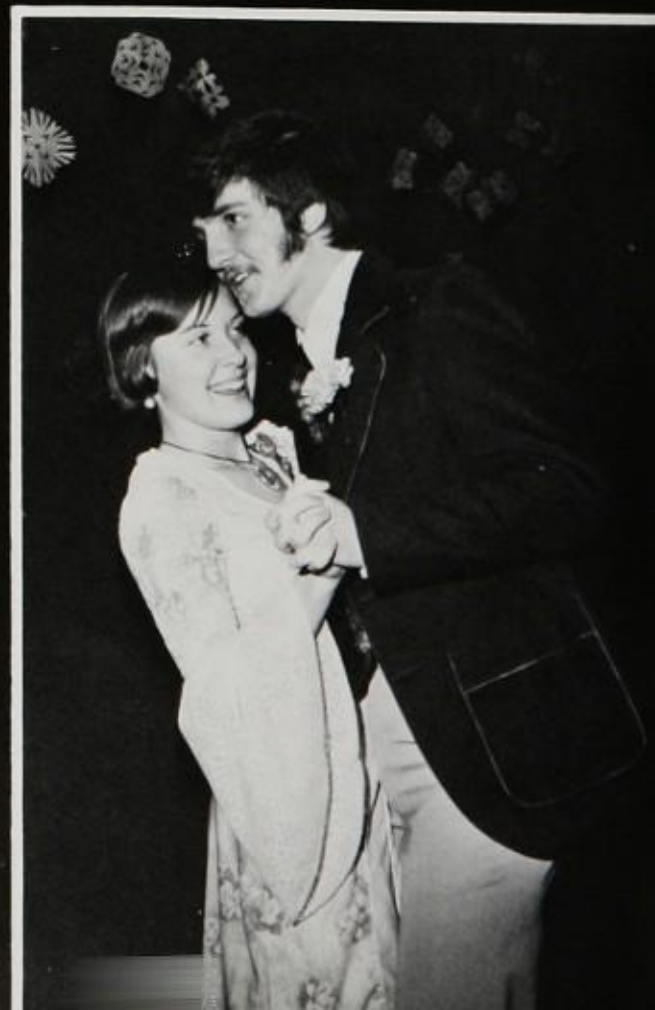

"Decorations were very good."

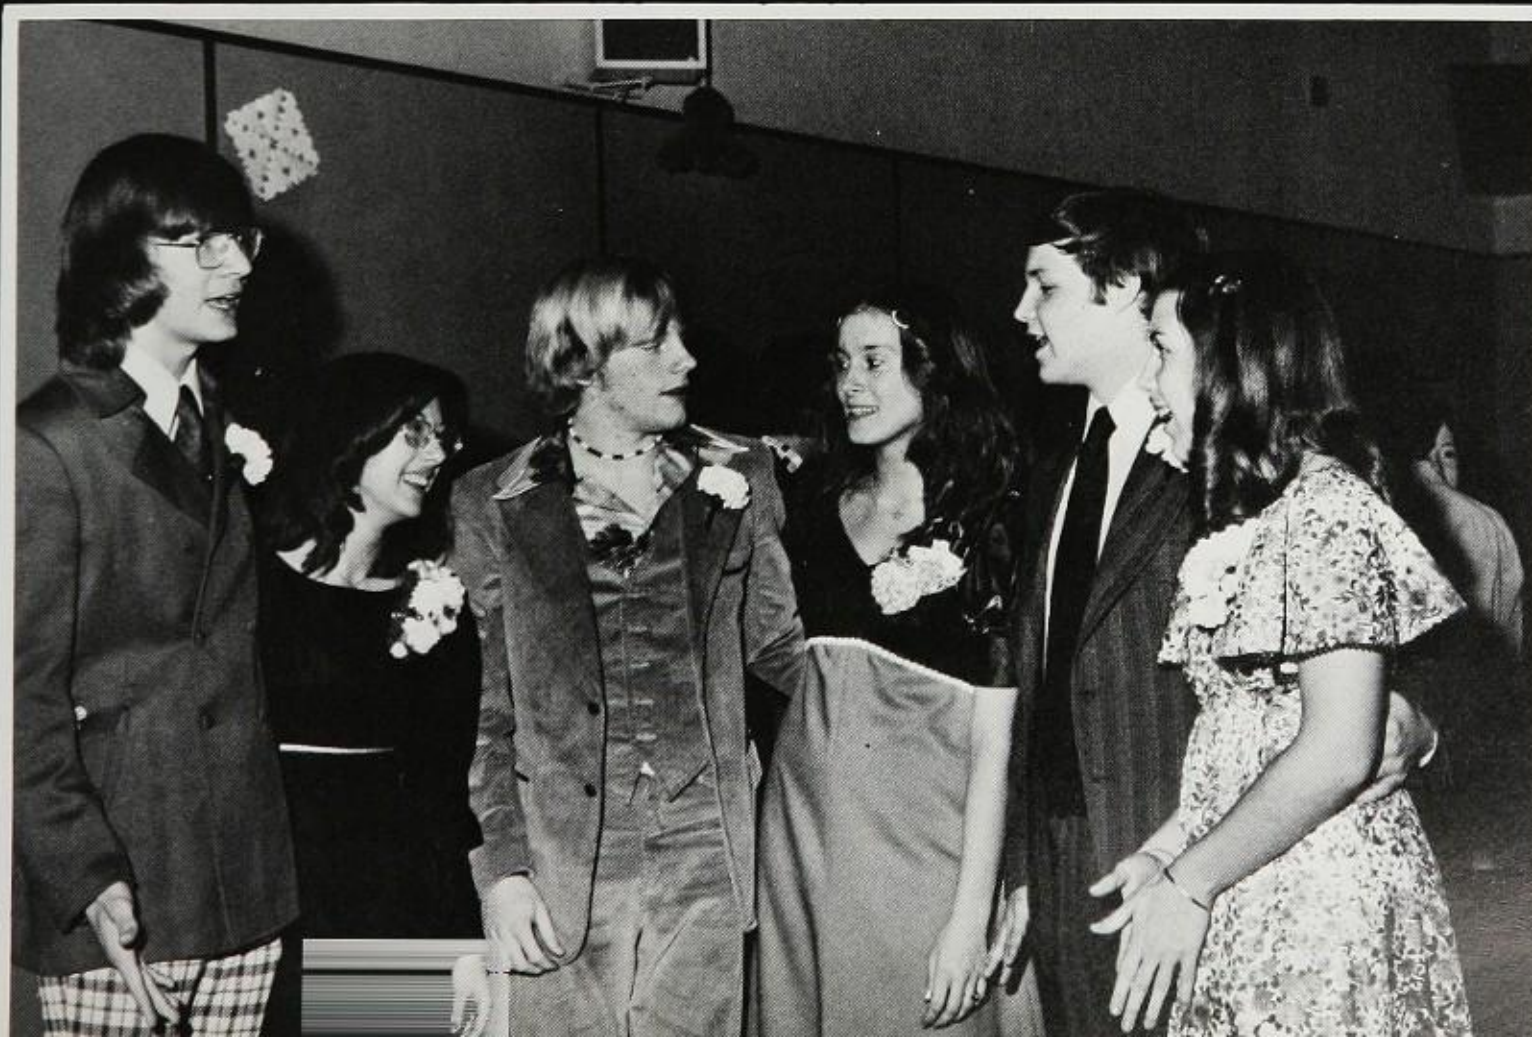

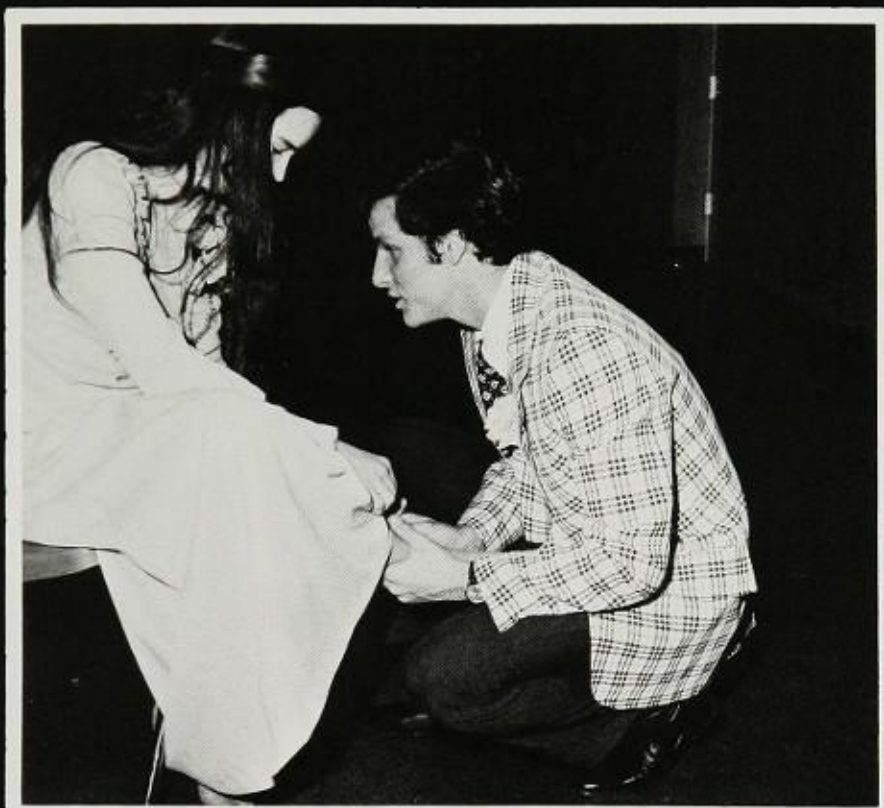

"The bunny-hop was fun."

"I liked the Hokey-Pokey."

"The polkas were the best."

There was an unusually large crowd and everyone enjoyed themselves.

PROM '76 TIME IN A BOTTLE

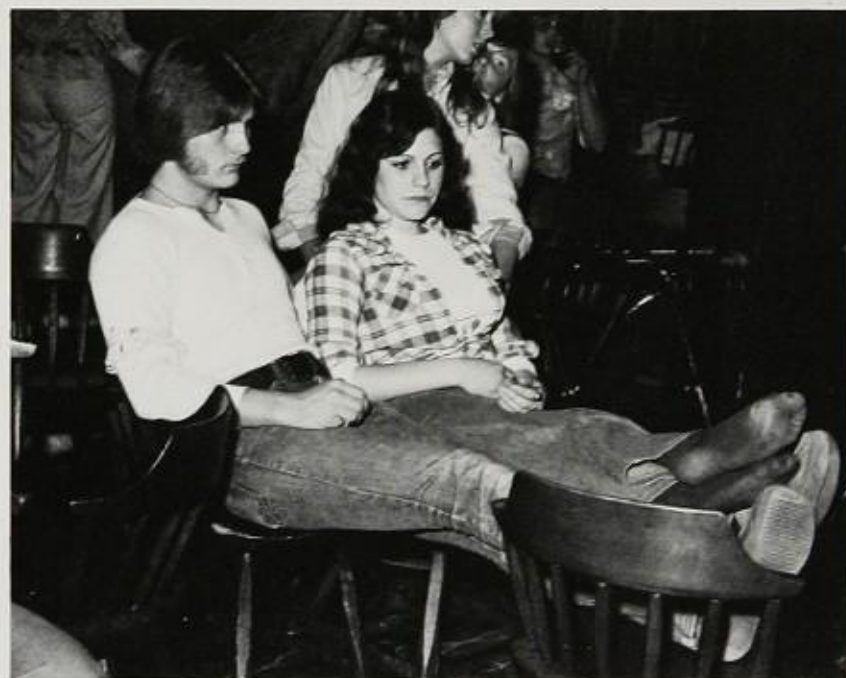

On May 1, at 6:30 pm, approximately 96 couples loaded the buses with their suitcases and other belongings to attend the annual 1976 Junior/Senior Class Prom.

At 7:30, the group arrived at the Playboy Resort Ski-Chalet in Lake Geneva, Wisconsin, where the prom was held.

Arriving at the club, Mr. Smith informed us of a few unexpected but interesting changes which were going to occur during the evening. He told us that there would be two rock bands instead of an orchestra and one rock band. And that the locker rooms were kind of small and the students would have to change in shifts. These differences in the schedule sounded bad, but as they occurred, they were barely noticed.

After unloading our belongings, everyone returned to the Ski-Chalet to

listen and dance to the band. At 9:30, Terri Las-tofka was crowned Prom queen. During the buffet dinner, assorted favors and bicentennial bids were given to all the girls.

We then sat and waited for the famous Morey Amsterdam. It was a great experience to see him in person and he put on a pretty good show, but he also performed a fantastic disappearing act.

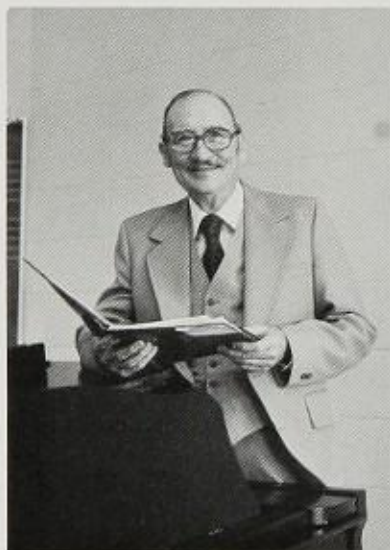

After his performance, everyone changed into their dancing clothes. Next, everyone enjoyed the rock dance. After that, we dragged our blankets in front of the screen to watch the great movie "Dollars". Not too many people found out how great the movie was, however, as this became the best time to sleep. After the movie, breakfast was served. While waiting in the drizzling rain for the buses, the exhausted couples found it hard to believe that it was all over. The Junior class should be congratulated and thanked for all its work. A great time and many happy memories were the result.

The Band will always remember first hour happenings, such as Findlay's fantastic sax, Chudik, squeaky clarinets, hot dog trumpets, marching in knee-deep mud at half time, and Mr. Ring playing his mean baton.

Grant Tires Three Directors

This year Grant's vocal department had three different music directors. The Chorus started out with Mrs. Van Slochteren, who was forced to take a leave of absence due to illness in her family. Next came Mr. Hodge, who had to leave for political reasons. This left Mr. Ring to direct all of the music department.

Memories of this year include Spooky the Ghost messing up his lines, Candles at Christmas Concert, going to Winchester House, "What did you do now Chuck?", and Choral Discipline.

Swing Groups Swing Into Action

Swing Choir and Stage Band are the two Swing Groups in the Music Department at Grant.

The Swing Groups performed during a student assembly, playing, singing, and dancing to many popular songs.

Swing Choir, despite all the fighting and changing of directors, received a first place at the Solo and Ensemble contest.

Only in their second year, Swing Choir and Stage Band proved to be an asset to the Music Department.

New Director For Fall Play

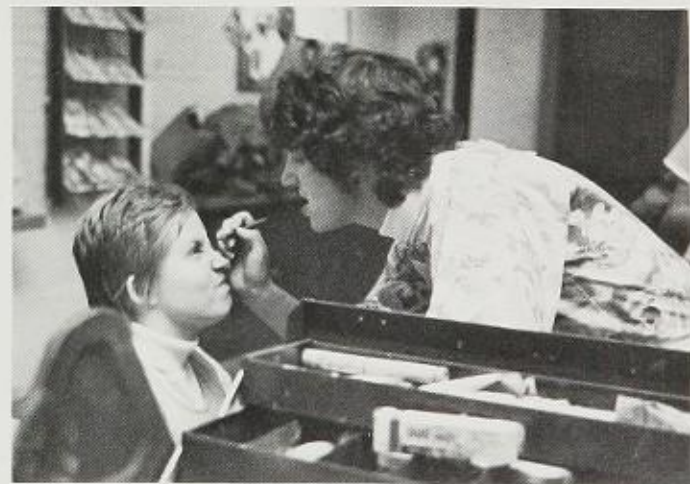

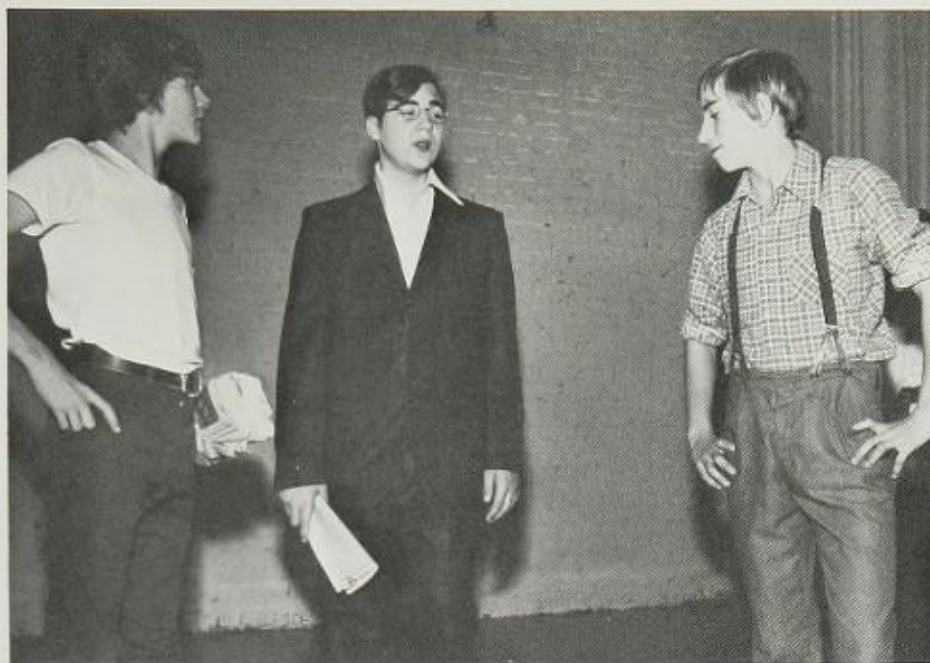

Mrs. Kemmer, a former director for community plays, came to Grant this year with the idea that she was going to produce a hit play, and she did.

"The most fun in doing the play," she said, "was the behind stage happenings, such as: Al calling Michigan, exploring the tunnels, gossiping with Mary Lutz in the lights' room, Dove trying to make a phone call, and Tim Holm's mistakes." The cast will also remember Larry's tea parties after rehearsals and the disagreement between Dove and Tim at the cast party.

The play, "Our Town" by Thornton Wilder, is about a town in New Hampshire that experiences the true meaning of life and death.

George M!

"How Do You Know If It's A Hit?"

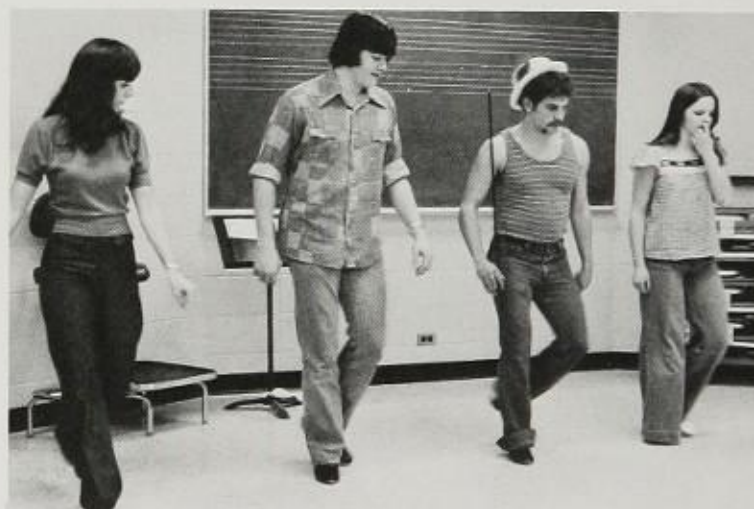

The Grant Music Department began working for their ultimate goal, opening night, back in November 1975. This spells almost five months of hard work. As they approached that big night, things started falling into place. Many students worked every night with not only total run throughs, but also dance practices, orchestra practices, set building, program writing, and costume making.

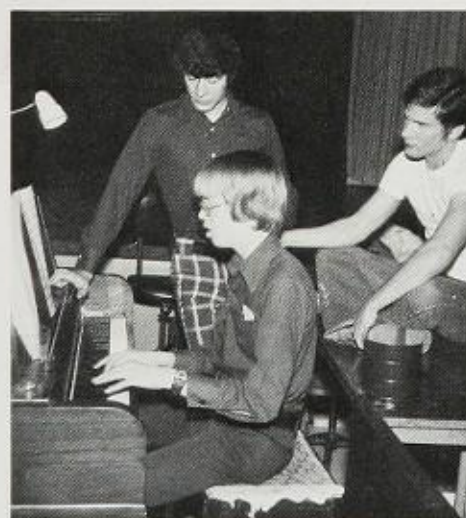

The closer opening night came, the more the cast began to wonder how will we do?

"How do you know if it's really a hit, pop?" Georgie asks.

"Well son, it's hard to explain ...

You know those lights are the same as you set them in rehearsal, but suddenly ...

.... "That Stage Just Shines"

And so it did. As the Orchestra struck the final note of the overture the lights went up and the cast just knew it was a hit. The orchestra played its best, the dancers danced their best, the actors acted their best and everyone sang his best. And their performances were not unappreciated; each night they received a standing ovation and compliments galor. This year's musical was surely a valuable experience for all involved.

SUPER FROG

The Fads Of '76

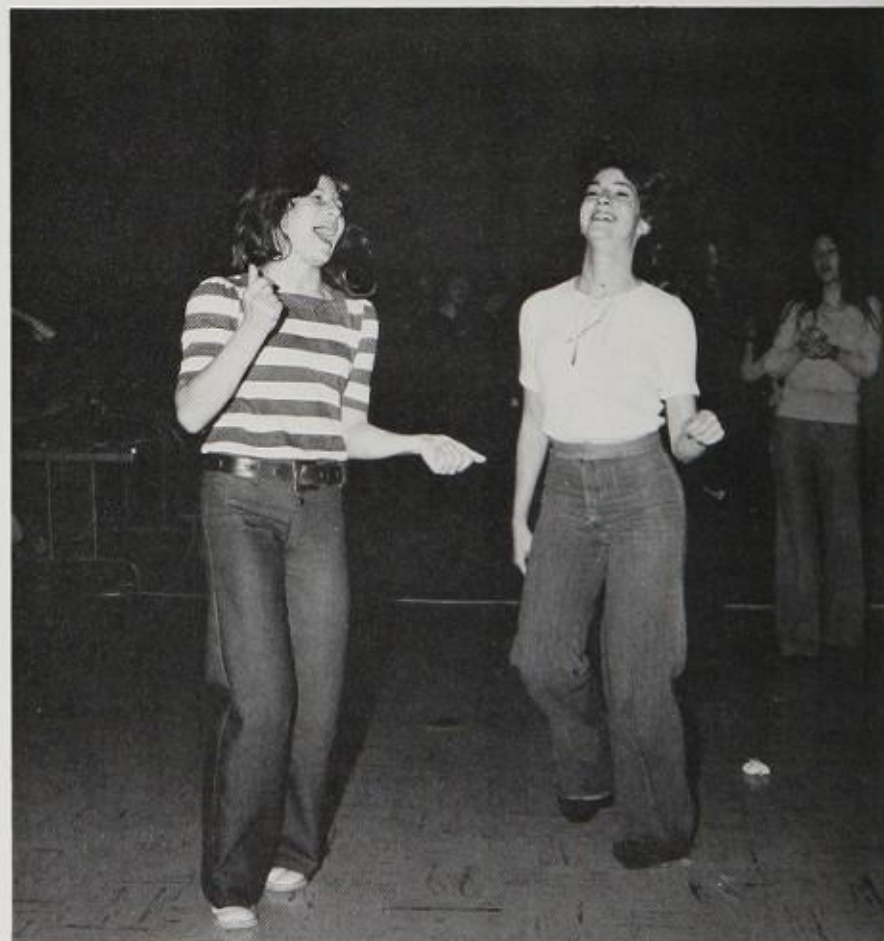

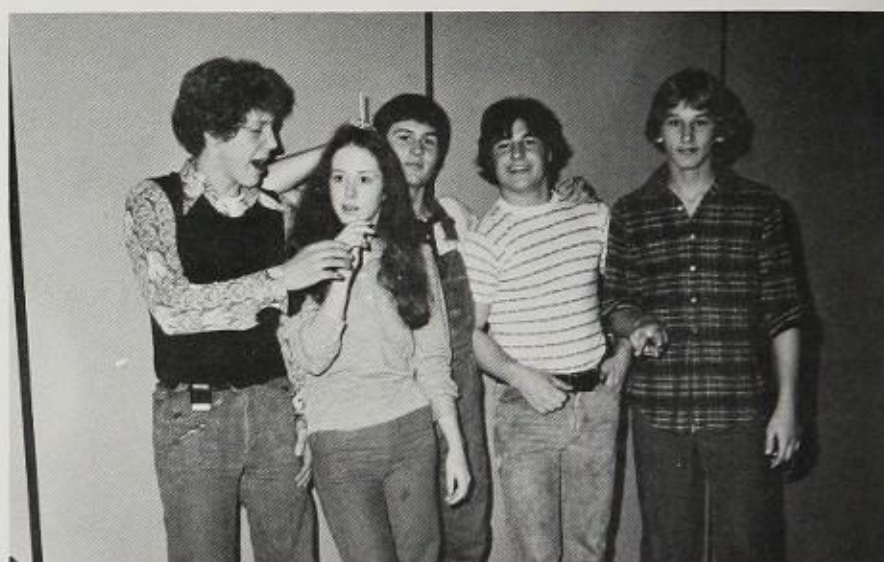

Students in 1976 saw the coming and going of many fads. One walk down the corridors of the school would present many of these whimsical fashions. From mood rings and earth shoes, to feathered haircuts, the school was loaded with fads. Movies showed a new trend, the disaster trend, with movies like "Earthquake," "The Hindenburg," and of course "Jaws." Students also showed a tendency toward novelty "T" shirts. "T" shirts bore remembrances of "The Fonz," "Jaws," "Monty Python's Flying Circus," "Welcome Back Kotter," "Grant," "Laural and Hardy," "The Marx Brothers," and every type of beer on the market.

Rock Dances Blast Grant

This year Grant had many more dances than last year. The Student Council sponsored many of our dances and the Junior Class sponsored one rock concert performed by the group "Acrobat." Some of the groups that entertained the student body were: "Crystal," "Road Block," "Jersey Lightening," and "Rocky."

The rock dances provided a welcome change from Emergency and the Jeffersons. Profits went toward the Referendum and the Prom.

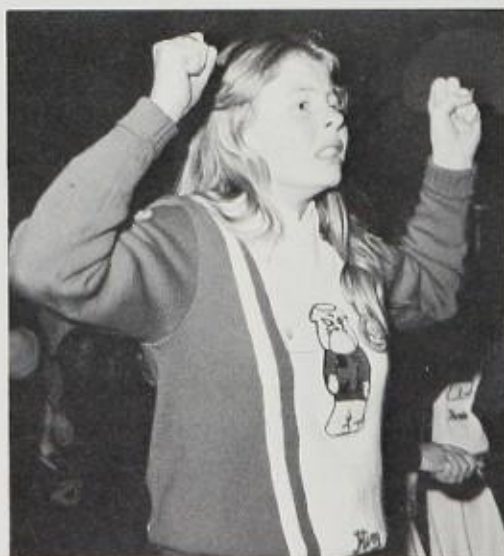

Assemblies Provide A Break

Grant had many types of assemblies this year. Students were able to show their spirit at cheering tryouts and pep assemblies. The guys finally succeeded in building their pyramid after all the times they tried. Students learned about Uruguay and Denmark at the foreign exchange assembly. Everybody had fun watching the senior-faculty basketball game. The girls tried every way they could think of to make baskets but the faculty won the game. All in all many students enjoyed attending the different types of assemblies at Grant.

This year's summer cheerleading camp provided many fun and exciting activities. Some of the more ambitious girls worked on learning a pom-pom routine, while others found themselves locked in a room with "Olive Oil" or at the hospital because of a smashed finger. The girls also attended a conference clinic where the wrestling squad took first place on their conference cheer.

All in all it was a good year, even though the Bulldog head spent a good deal of time on the floor. Lolo's back aerials astounded the fans. Some familiar expressions this year were "Am I red?" and "You know what I mean?"

Skits provided a change from the normal routine. The Varsity smashed Antioch and stomped the Warriors, while the Wrestling squad made some interesting discoveries as it dissected a wrestler at the Wrestling banquet. "When Cheerleaders were Cheerleaders" may be seen next year by Grant fans. The Cheerleaders had a great and super time.

Pom-Pon Girls Mean Spirit

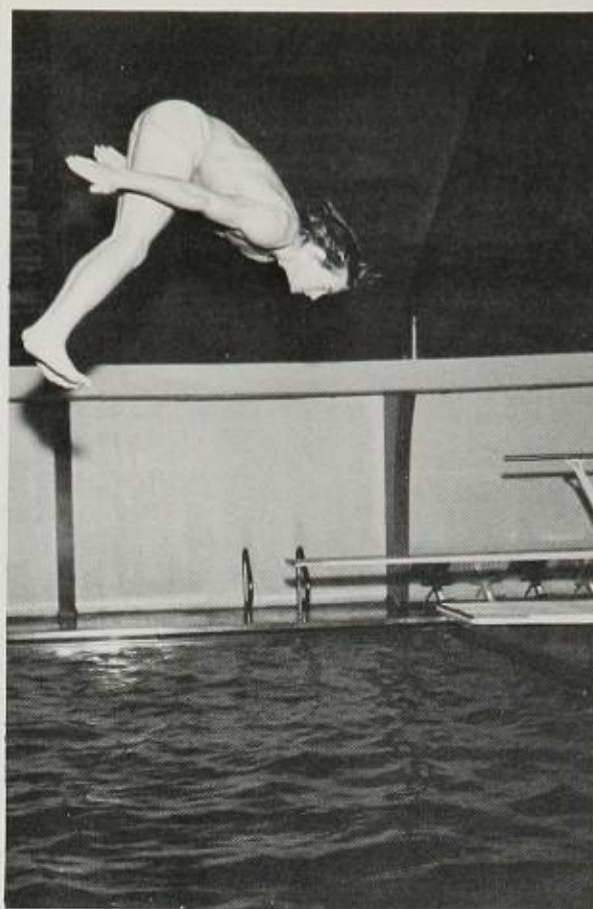

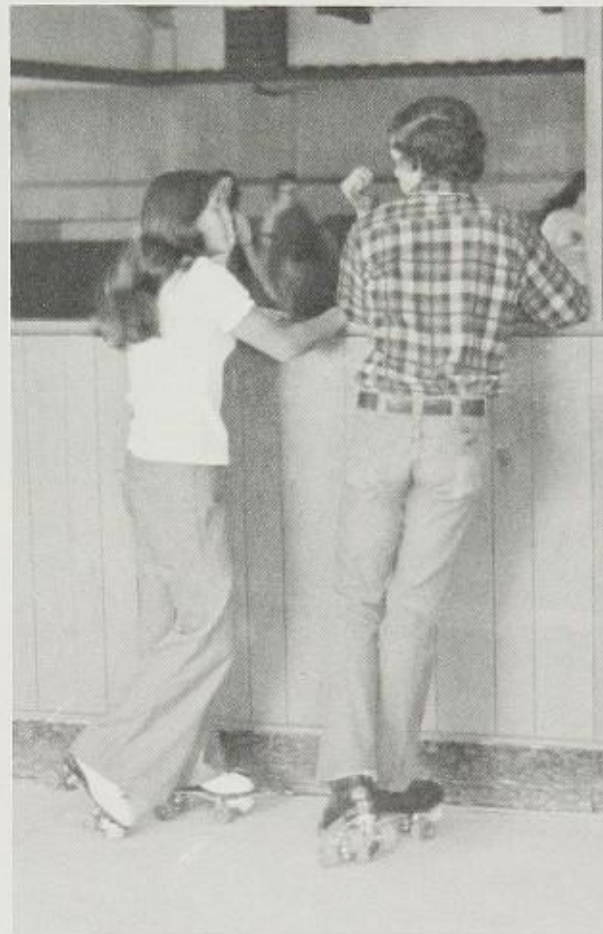

The Grant Pom-Pon Girls added to the spirit of football and basketball with their Pom-Pon routines during halftime of the games. The girls performed no matter what obstacles blocked their path. Neither rain, mud, fast music, or a cast on a leg kept these girls from performing. The 1975-76 Pom-Pon girls will always remember these famous words... What? No Music? ... Who has my Pom-Pons?... 1-2-3-4-5-6-7-8... Way to go Liz... Which side am I on?

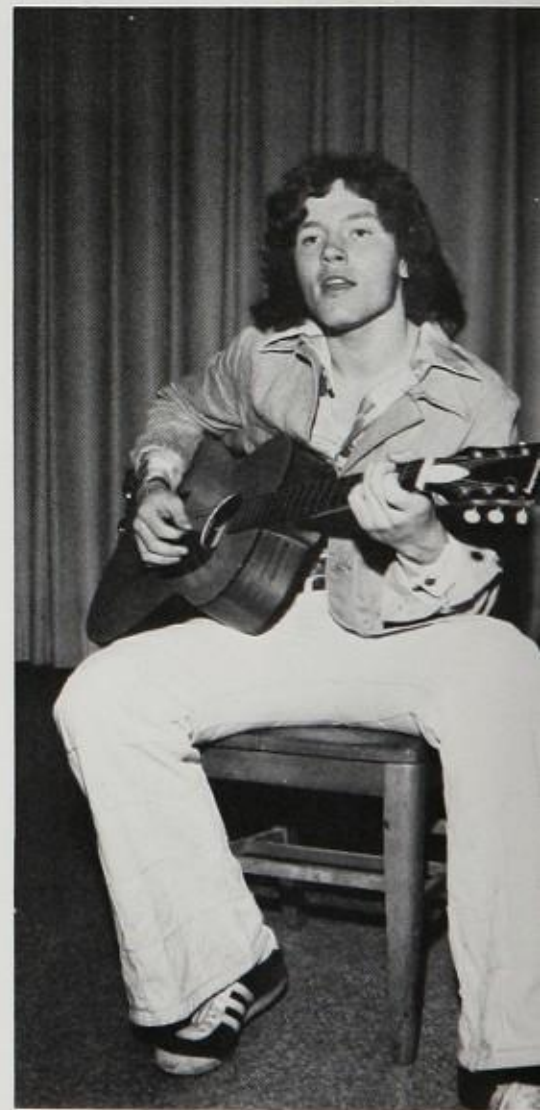

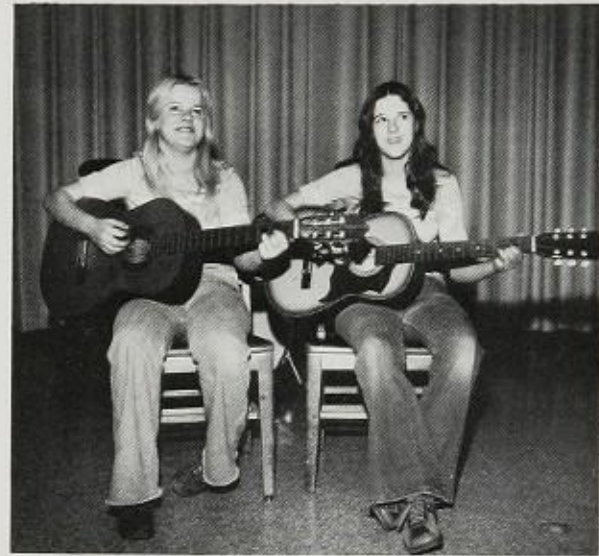

Mini-Courses See Final Year

Grant students were again honored this year with the privilege of Mini-Courses; but this year student neglect went a step too far. With over 50% absenteeism during Mini-Courses, the Grant Administration was forced to terminate any hope for Mini-Courses next year. The students that did participate enjoyed beauty basics, construction of polyhedrons, first aid, ping pong, model building, and many other courses.

This year, the JOB and RIGHT parties battled their way into their political positions. Student Government Day was headed by the JOB candidate for mayor, Al Walker. All other offices were in charge of such departments as police, fire, public works, beautification, and license inspection. Mr. Scott was indicted for the possession of marijuana. After claiming temporary insanity he tried to make a narrow escape but was caught instantly. Students learned the goods and bads of the political government throughout the day. Other students had tired arms from sanding the bleachers for the alleged painting project (which was somehow forgotten).

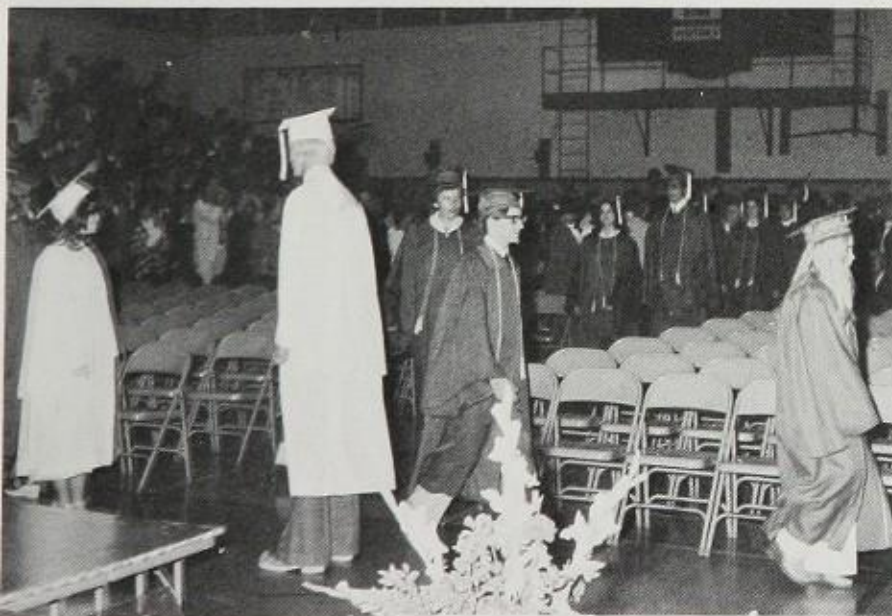

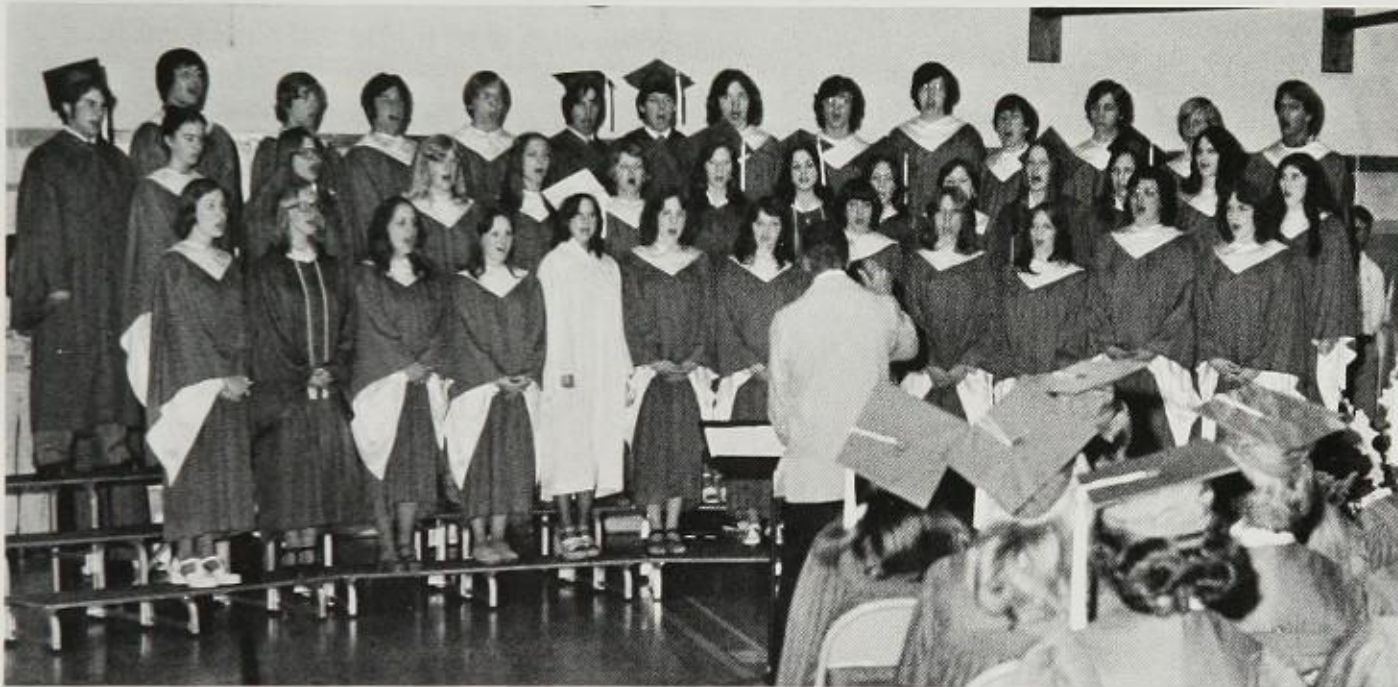

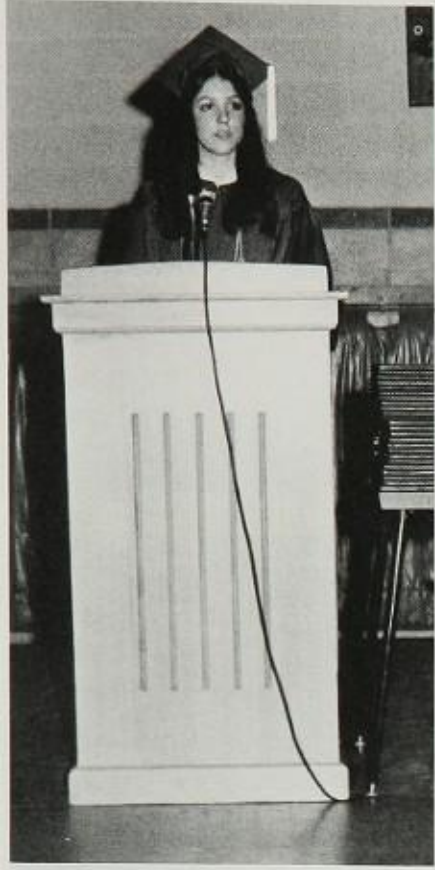

214 happy Seniors marched down the aisles to Pomp and Circumstance on May 28. They will remember not only the crowded gym and many pictures, but also their own "bicentennial" graduation-1976. It seemed so far away four years ago. But now, we'll remember...our A-1 football team, bomb scares, looking up to Seniors, scarred knuckles from chicken-wire, WLS Team of the Week and that hard-worked-for referendum.

Even though this is only another stage in our lives, memories of this bicentennial occasion and the past four years will never be forgotten. Congratulations to all-all 214.

Grant's 1975 Varsity football team had an outstanding season with a record of 9-0. They really gave a performance for Grant to be proud of by winning the conference title. The Bulldogs got their revenge against Warren during the Homecoming game with the score of 34-7. Grant also overpowered Antioch with the score of 28-13 when they met in the pouring rain for the championship game. Spirits were high when we went on to meet Zion-Benton for sectionals. Even though we didn't advance in the playoffs, we're still proud of our team. We were also selected as a WLS team of the week. Some star players that cannot be overlooked are Mike Simmons, who made all area and also all-conference. Others who made all-conference are Kevin Kelly, Steve McLeod, Sherwin Savage, Mike Mieszanek, and Mark Meisgeier.

The sophomore team ended its season with a 4-5 record. When the team played up to its potential it was evenly matched with any team in the conference. After the loss of a key game against Warren, spirits dropped and the sophomores didn't finish with the record they would have liked.

Although the freshmen lacked players, they showed high spirit and strong effort throughout the season. Their record was 3-5-1.

CROSS COUNTRY

This was a disappointing season for the varsity team. Grant finished 9th in the conference meet. Keith Barrett had an outstanding season; he was all-county and all-conference, placing in the top 10 in all the big invitational meets. The varsity season record was 5-8.

The frosh-soph team, however, was second in the conference with an 8-1 record. Ron Emmerich and J. C. Lang were outstanding runners this season.

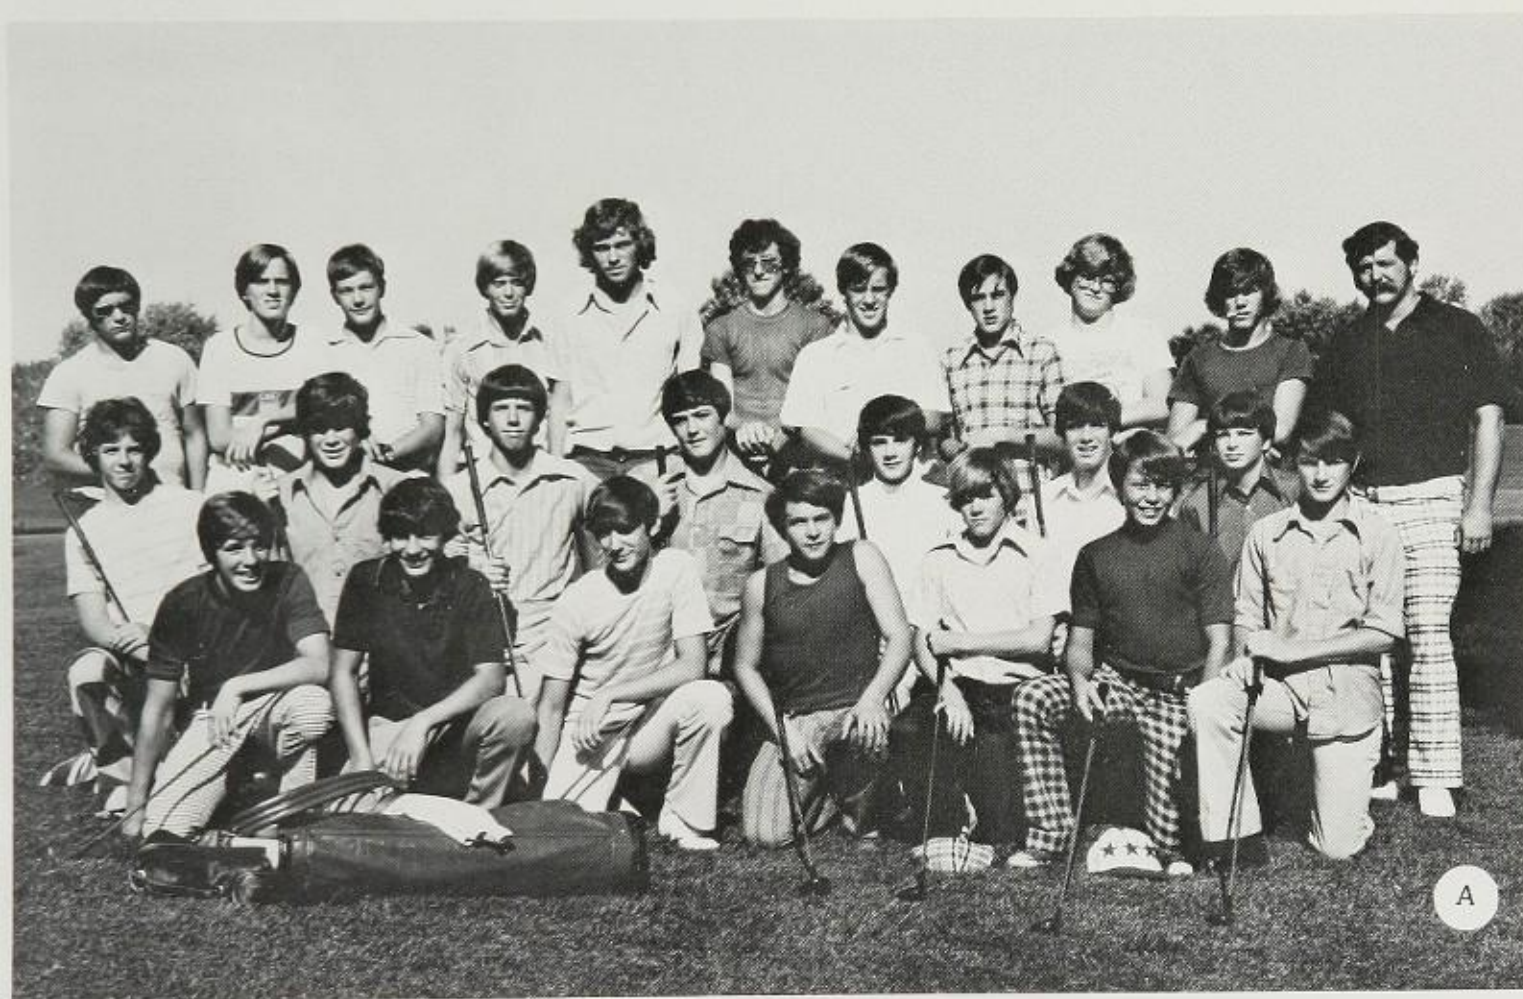

The returning veterans and the runners from our frosh-soph team should start Grant moving toward the top again next year.

On October 16, 1975 the Grant golf team wedged its way out of a deep sand trap when it beat the Lake Forest Scouts for the first time ever. The team did very well this year with a 6-6 season. Mike Davis was the first person in Grant's history to tee off in downstate competition. Mike also won all-conference honors, along with Pat Vickers.

This year, Grant's Varsity wrestlers were Conference Champs with a record of 9-0. Going into the Conference meet with an undefeated record, our wrestlers again came out on top. Four first place awards were taken by Grant: Bob McGuinn (132 pounds), Pat Vickers (138 pounds), Steve McLeod (155 pounds), and Mark Meisgeier (Hwt.). Second place winners were Nick Manusos (119 pounds), Jeff Jenkins (126 pounds), and Steve Grischeau (167 pounds). The last team meet was District, where we had three first place winners. They were Pat Vickers, Steve McLeod, and Mark Meisgeier. Second place went to Bob McGuinn. These four wrestlers went into Sectionals where Bob McGuinn took a third and Mark Meisgeier took a second. This qualified Mark to go down to the U of I for the State Championship. Mark was the only wrestler from the NWSC to go downstate.

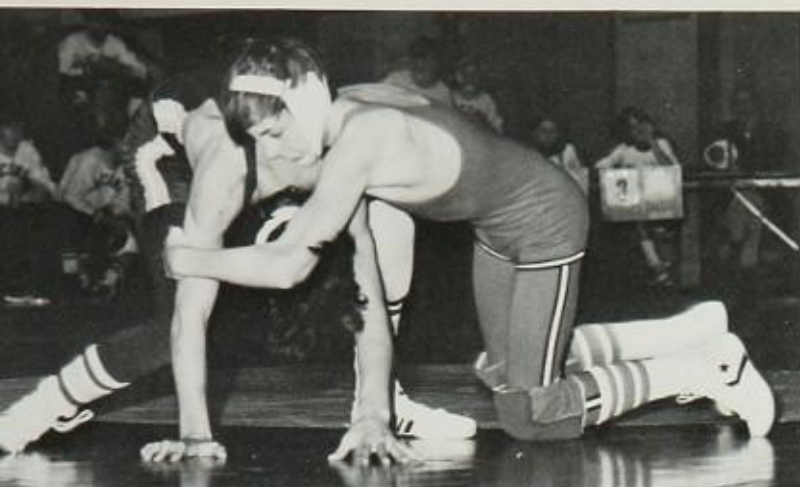

All team members were honored at Grant's first wrestling banquet sponsored by the WAGS. Congratulations on a good season!

Coaches Patrick, Libert, and Heimerdinger all agree that this was one of the best seasons ever for Sophomore and Freshmen wrestling. The Sophomores took 1st in the Waukegan Tournament and ended up with 5 wins and no losses. The Freshmen took 1st place in both the Deerfield and Grayslake Tournaments. They also took 1st place in Conference with a record of 15 wins and 1 loss.

BASKETBALL

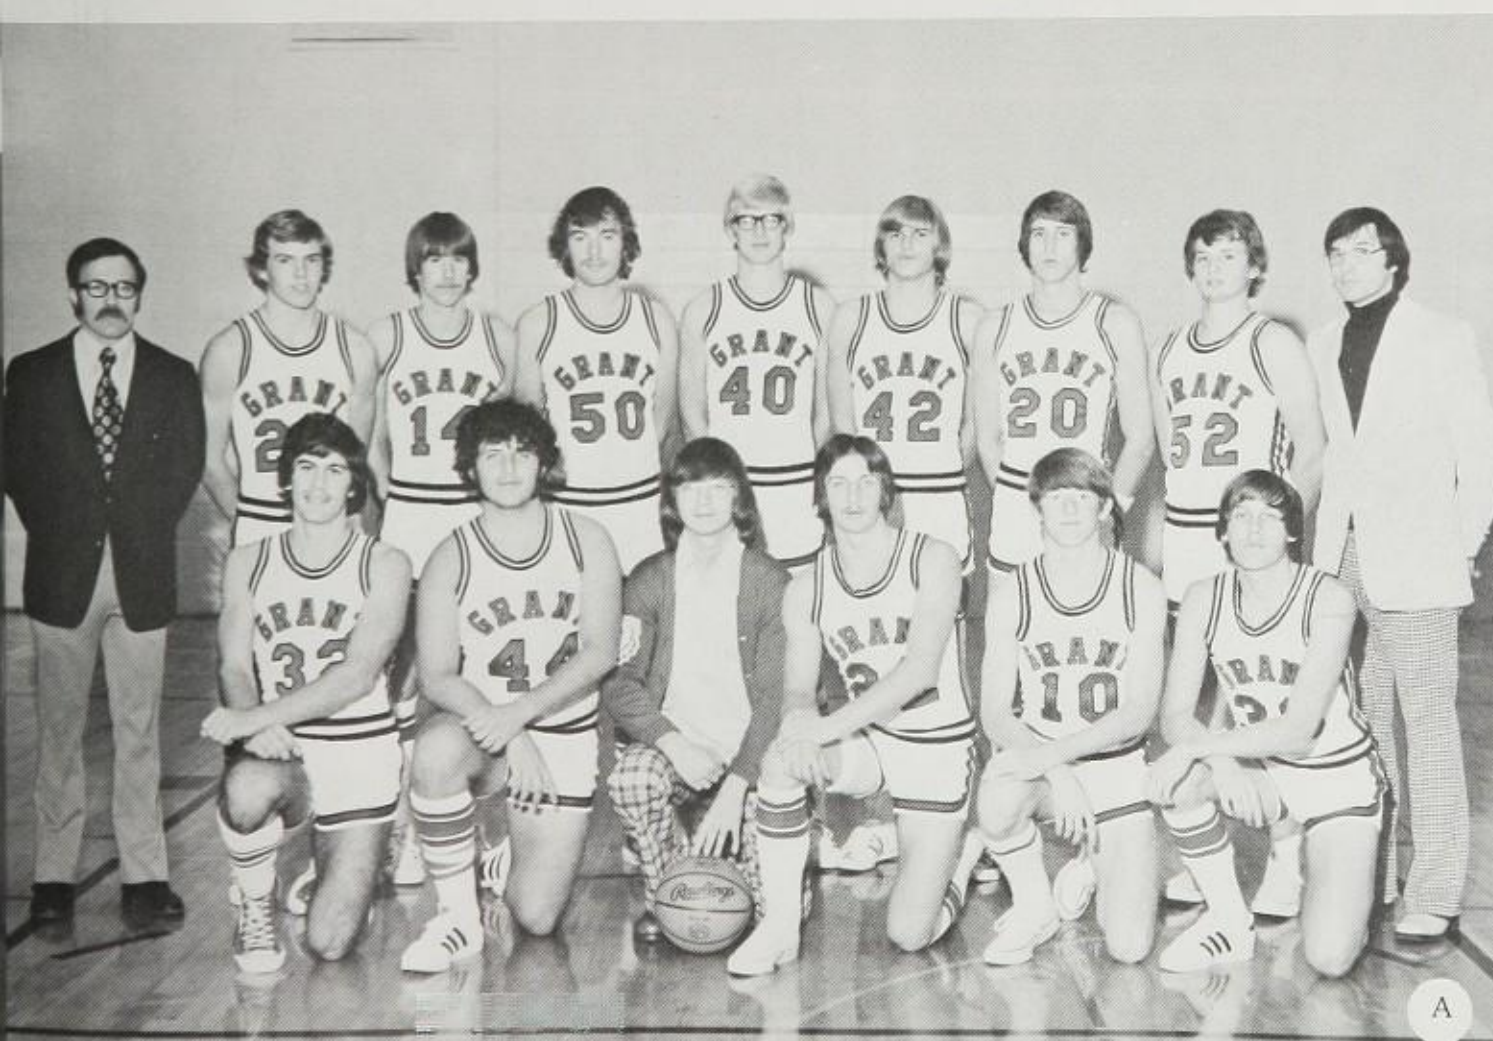

The 1975-76 Varsity Basketball season ended with exciting play in the State Tournament. After beating Grayslake 65-50 in the Regional opener, the Bulldogs beat favored Antioch 60-56 for the championship. They then lost in Sectional competition against Rockford Guilford 77-65.

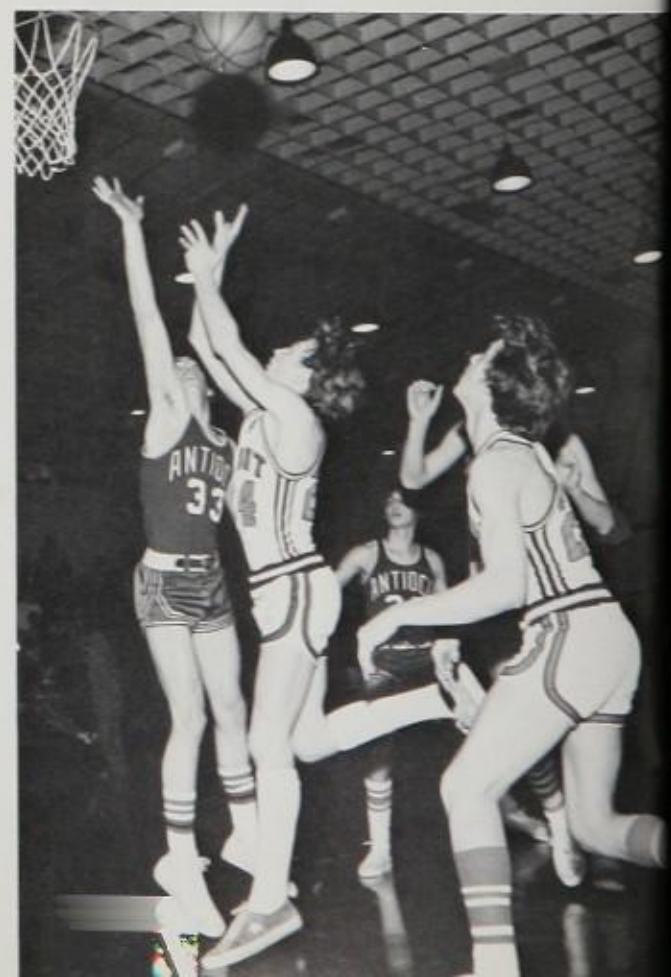

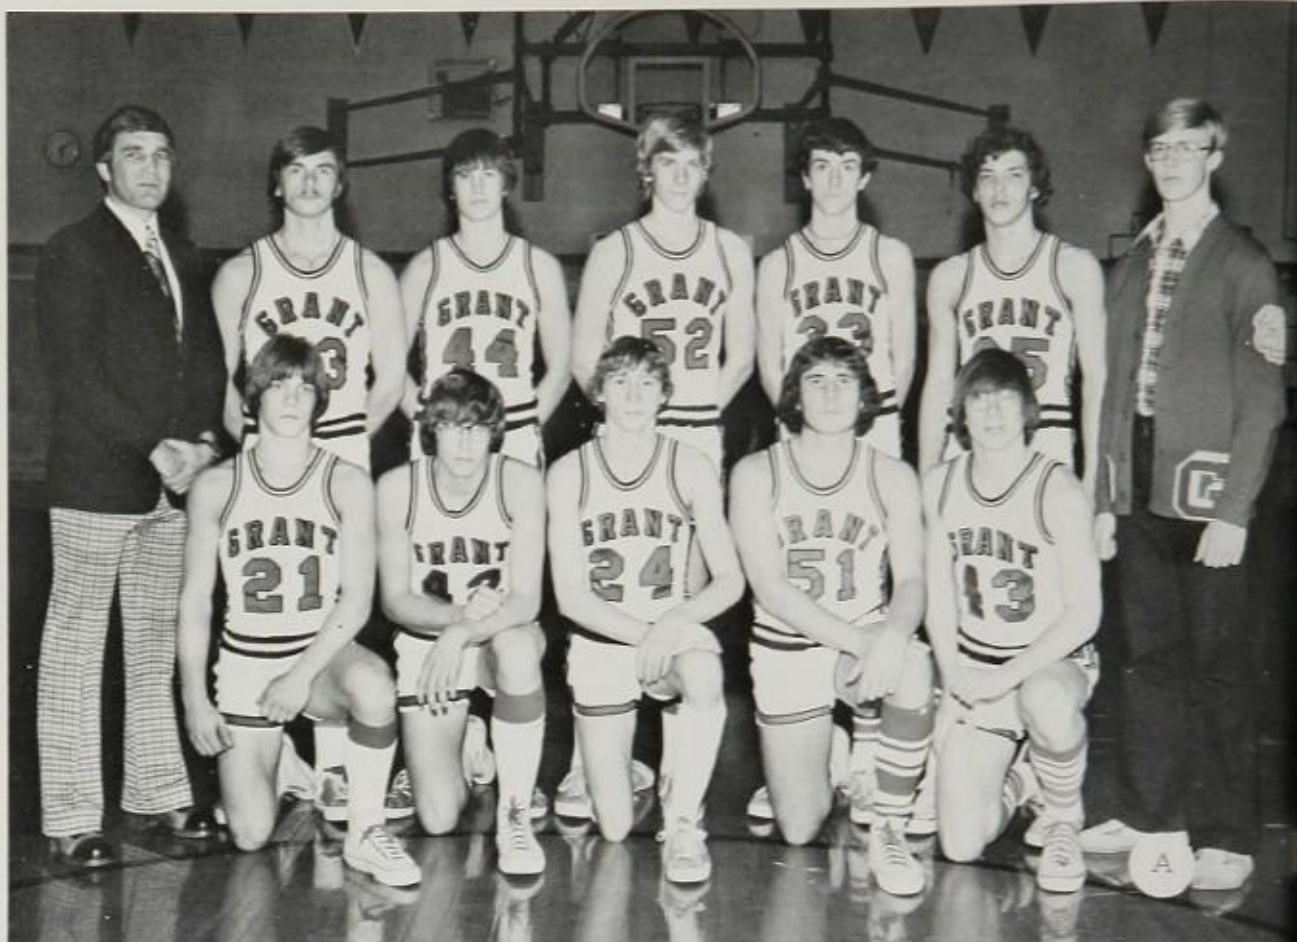

The Varsity team finished the season with a 13-13 overall record. A 7-6 record in conference play was good for a fourth place finish. Lead by Grant's new head coach, Tom Maple, the season opened with a win over Carmel and a third place finish in the Woodstock Thanksgiving Tournament. Kevin Kelly lead the team with 417 points, 172 rebounds, and 71 assists. Mike Simmons lead recoveries with 82 and Bob Soderman headed free throws with 72%. A good performance in the Grant Regional copped the first Regional title since 1972.

TRACK

The Grant Varsity Track had a very good season this year. Some records were broken, and some were tied. Individuals who broke records were Keith Barrett, Rich Gaylor, and Kevin Kelly. This was the best season for the Varsity Track Team in many years, with a 5-5 record. CONGRATULATIONS!

The Grant Frosh-Soph Track Team had a good season with 5-5. There were great performances by many inexperienced people like Keith Kelly, (low Hurdles) and Scott Gaylor (high jump). Most track members tried to sprint for first place, but somehow other teams were faster. Hopefully next year we will have an outstanding track team.

This year a tennis team was added to Grant's athletic division. The first time the two tennis teams, Frosh-Soph and Varsity, played on home courts was against Grant's biggest rival, Antioch. Although they lost, they later had many victories. Some of the outstanding players were Mike Mieszanek, who led the team with the most victories, Dave Chudik, Dave Walker, John LeGrand and Bill Kirscht. Grant hopes to keep the Tennis Team going for another few decades if not more. The Tennis Team also wishes to see more of you out on the courts supporting your team.

BASEBALL

This year's Varsity baseball team got off to a slow start. But soon the pieces began to fit into place, and the team played to its fullest ability. Their work did not go unrewarded, for they took district championship and advanced into regionals. They had their ups and downs, but all in all it was a good season. They ended the season with 13-5 record.

Close, but not close enough," said one member of the sophomore baseball team. And rightly so. The sophomores worked hard and tried their best, but found the competition too great. Losses were close, but they were losses just the same. The season, however, was not without its high points, and few though they were, they were most rewarding.

The freshmen baseball players experienced a truly educational season. Beginning slowly, they pulled themselves together, and really learned what the game was all about. Fans may expect an excellent team in the future.

The Girls Field Hockey team was very successful this year. They had a tough time scoring against such teams as Antioch and McHenry, but against many other schools they were victorious. Kandy Anderson scored 12pts. against Wauconda which won her the title of most valuable player. The season record was 4-3-1.

TENNIS

"Turn around and rub it", is what Mr. Garlanger said every time a girl was hit by a tennis ball. The 1975 tennis team was a first for Grant. The Varsity team record wasn't impressive, but their court performance was good. With practice, next year's team should be strong.

This year's Volleyball team was a different experience for all. Having two coaches was a challenging idea, altho it presented some problems. Even though very few games were won, fun and learning were shared by all. For instance, there was setting up the net, Sandy's broken finger, diving into the floor and then realizing there's such a thing as knee pads and Saturday practices.

BOWLING

The girls bowling team was the first female team ever to go down state. The best performances came from Donna Fesanco and Judy Caulfield. The loss of the conference championship by a couple of pins didn't hurt the excitement of going down state of Feb. 13 & 14. The girls struck down 10 opponents, placing 22nd out of 32.

BASKETBALL

Even with plays like Snoopy, Charlie Brown, and Linus, the girls basketball team had a hard time this year.

The most exciting games were against Stevenson, who defeated Grant by 1 point, and Cary Grove, who we beat by 2 points. The high scorer was Kandy Anderson, with 25 points at the Round Lake game. Hopefully, next year the girls will bounce back and have a winning season.

This year the softball team was off to a great hit. The team went undefeated. Woodstock was one of the toughest teams they played, but the team still beat them. This is Miss Stueber's first year coaching softball at Grant and she is very pleased with the team and so are the girls. We hope next year's team does as well as this year's team.

Runs around the track,
You're going to serenade her
Through the laps.
She is going to look great
In a running race,
And when you see our guys
They'll recognize her face.
Oh! Oh! A Grant track girl
I like to know.
She's got the Grant High
Spirit, Pep, and Go.

The Girls Track Team lapped a couple of victories around Grayslake and Round Lake. Lap for lap the girls handed-off a record breaking season. Kim Urban and Karen Burnett cut their time by five seconds. The season record was 4-7.

Math Students Start New Club

The Math Club, or otherwise known as the Society of Aesthetic Awareness, is involved in many events. They meet regularly every Wednesday during 7th hour and keep busy by trying to prove something's right when you know that it is wrong or logically figuring out basketball rules. Their biggest event of the year is the National Math Contest which is held in March.

MATH CLUB OFFICERS--LEFT TO RIGHT: C. Hillebrand, Treasurer; W. Bush, Secretary; J. Englen, President; H. Siepmann, Vice-President.

Experimenters Lead Science Club

The Science Club is an active group at Grant. Although their biggest event is the Science Fair, they are also involved in going on field trips to Circle Campus at the University of Chicago and Northwestern University. They meet regularly during club meetings and occasionally before first hour. At these meetings they discuss many things, such as perpetual motion machines and they also have fun playing hockey with curtain weights.

SCIENCE CLUB--FRONT ROW: L. Bartoszek, Vice-President; A. Paly, President; T. Oraziotti, Secretary Treasurer; D. Bates. BACK ROW: R. Allen, A. Schnei-ewent, B. Bartoszek, C. Almquist, J. Sher.

Diane Pawela--Rita Bauspies

Foreign Exchange Student--Jose' Luis Bonavita

Two Students Go Abroad

International Club has been very busy this year raising funds. Some funds were raised by selling chocolate Valentine hearts and refreshments at the bonfire and musical. The profits were used to send Diane Pawela to Greece and Rita Bauspies to France.

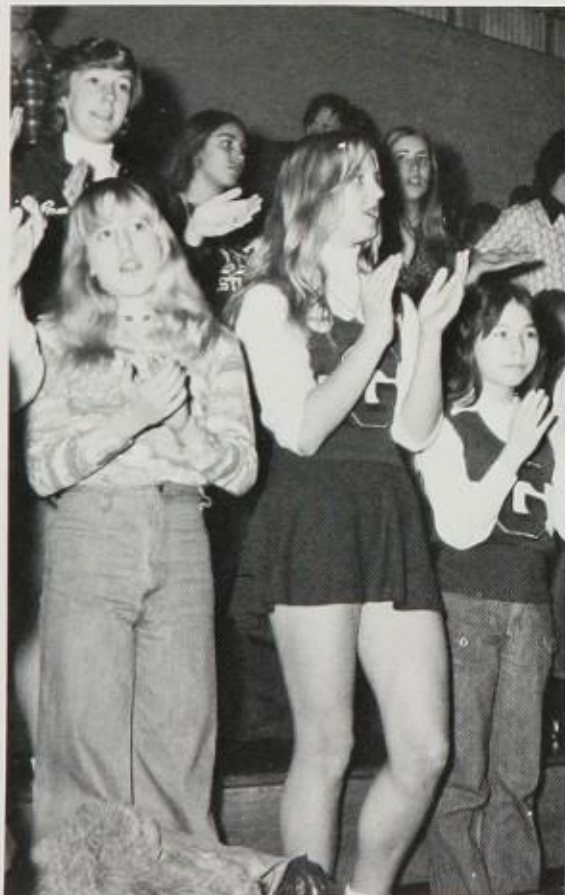

One of the funnier incidents that occurred this year was when the bulldog on the International Club float lost his hat.

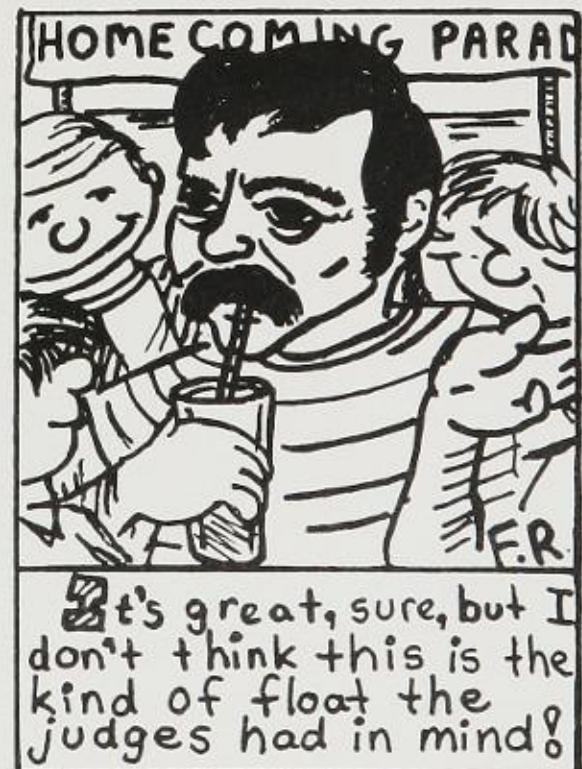

G-ETTES--CLOCKWISE FROM CENTER: J. Carver, B. McMillen, B. Barthel, M. Rodriguez, A. Young, K. O'Donnell, B. Brown, S. Thompson, S. Olson, R. O'Grodany, J. Cox, K. MacDonald, H. Long, B. Cox.

G-Ettes Cheer Our Team On

The G-Ettes at Grant are a very spirited group. They hold the mascot for the football players to run through along with cheering for the Bulldogs at every home football and basketball game. The G-Ettes also make spirit posters and in the process get covered with paint. Their main money raising projects were selling oil lamps and buttons.

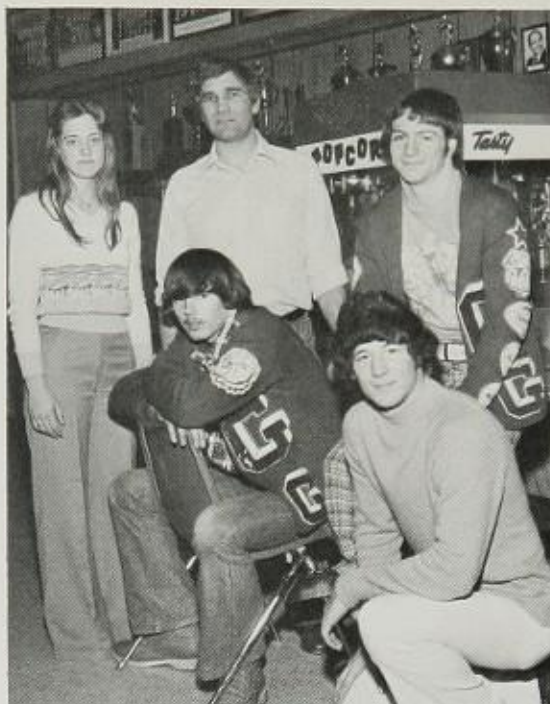

G-ETTE OFFICERS--P. Adams, President; Mrs. McCabe, Sponsor; K. Hagen, Vice-President.

G-Club Pops Its Way To Profits

Did you ever wonder who those kids are who sell all the popcorn, candy, coke, etc., at all the home basketball games? It's the G-Club! Selling refreshments at the games is the G-Club's biggest fund raiser. Even though they sometimes end up with burnt popcorn or fizzy pop, the profits are good. The money is used for buying their jackets and also weight-lifting and gym equipment.

G-CLUB OFFICERS--FRONT ROW: J. Korn, President; S. Ring, Treasurer; BACK ROW: A. Biere, Secretary; Mr. Kazlauskis, Sponsor; S. McLeod, Vice-President.

G-CLUB--FRONT ROW: T. Scott, D. Fesanco, A. Schemmel, B. McMillen, C. Banez, L. Barrett. ROW 2: M. Waynen, M. Harper, K. Barrett, C. Frost, M. Mora. BACK ROW: M. Badegian, D. Stewart, J. Strand, R. Gaylor, D. Carmichael, B. Hill.

G.A.A. Grows Larger

This year more girls than ever joined the Girls Athletic Association. Their most important activities are the banquet, initiation, and picnic. Along with these, the girls keep active all year with speed-a-way, gymnastics, badminton, volleyball, and many other sports.

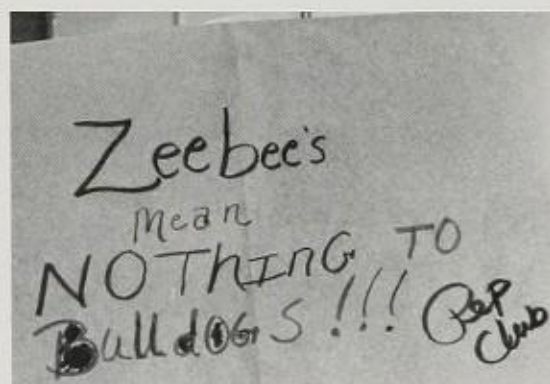

This year a few of the officers went to the G. A. A. convention held in Peoria. There they learned about other G. A. A. clubs. They also might remember malted milk balls and 7-up or bacon, lettuce, and tomato sandwiches.

G.A.A. --FRONT ROW: D. Pawela, L. Lang, V. Jaranson, D. Fesanco, T. Folgers, S. Barrett, S. Findlay, V. Janas. ROW 2: J. Barth, S. Dinschel, M. Dougherty, D. Tronvig, U. Ilmberger, J. Rich, J. Caulfield, L. Appel, S. Santiago, P. Hanan, K. McLeod, N. Lastofka. ROW 3: M. Martin, P. Hill, K. Bowen, K. Makas, K. Young, L. Blowers, M. O'Keefe, C. Bay, K. Harper, A. Mitchell, D. Chapman, A. Schemmel. BACK ROW: D. Bowen, L. Schindler, V. Hill, S. Fesanco, S. Vickers, D. Krueger, T. Shamblin, T. Miller, S. Sanko, D. Freund, M. Matthei, D. Vanderkooy, C. Lomas.

PEP CLUB OFFICERS -- LEFT TO RIGHT: E. Sbertobi, Vice President; S. Fesanco, Secretary-Treasurer; J. Alexander, President.

Spirit Galore

Do you know who makes most of the posters for school walls and also sells the spirit buttons? The major goal with the buttons and posters is to promote spirit. Winning the regionals in basketball and coming in first in wrestling was proof that the Pep Club had reached its goal.

When they entered their float in the Homecoming parade, the Pep Club received a first for the sixth consecutive year. The float almost didn't make it through the whole parade, however, when the goal post on the float hooked on a telephone wire and was pulled off.

Eating pizza was one of the big activities during the float building season.

PEP CLUB -- FRONT ROW: C. Hanson, T. Foat. ROW 2: S. Stark, S. Smak. ROW 3: M. Grzegorezyk, C. Newbeck. BACK ROW: W. Bush, P. Bertram, V. Hill, C. Franke.

B. COLORGUARDS -- LEFT TO RIGHT: K. Chmura, D. Becmer, B. Cox, M. Frost, M. Wagstrom, V. Claesson, K. MacDonald, J. Cox.

D. TENNIS CLUB -- FRONT ROW: M. Martin, D. Vanderkooy, L. Prez, M. Homan, C. Markvart. ROW 2: D. Chapman, M. Cain, D. Whymark, D. Walker, G. Lundgren, N. Needham. BACK ROW: C. Franke, C. Lomas, L. Gort, M. Bosman, C. Fuge, D. Vermillion, D. Bowen, J. Retek.

Does anyone know who the COLORGUARDS at Grant are? They are the girls who march with the band at home football games. This year they also marched at the state playoffs in Zion and at Round Lake's Homecoming parade. They freeze on the football field, guide right instead of left, slide in the mud, and loose their tassels, (which fall into their boots). Lining up on time (a rarity) for the game, and goofing the routine were said to be funny, but unexpected, incidents which occurred.

E. TENNIS CLUB OFFICERS -- LEFT TO RIGHT: C. Mulligan, Treasurer; J. LeGrand, Vice President; Mr. Cittadino (Sponsor); D. Chudik, President; A. Rosol, Secretary.

For the first year ever, Grant students formed a TENNIS CLUB. It was sponsored by Mr. Cittadino.

Tennis has become a very popular sport. Not only does it offer a great deal of exercise, but is also submits competition and enjoyment.

Interest shown by many Grant students proved the successfulness of the club. They enjoyed the indoor courts every weekend in Waukegan.

THESPIANS -- FRONT ROW: D. Chapman, D. Lynn, S. Barrett. ROW 2: A. Schemmel, B. Cox, P. Sutton, O. Paly, D. Krueger, J. Grocke. ROW 3: F. Pieper, J. Semmerling, J. Cox. BACK ROW: M. Kubetz, C. Pearson, T. Semmerling, M. Murphy.

THESPIAN CLUB OFFICERS -- LEFT TO RIGHT: D. Chapman, Point Secretary; J. Semmerling, President; P. Sutton, Secretary.

SPEECH CONTEST MEMBERS -- LEFT TO RIGHT: Mrs. Kemmer (Sponsor), P. Sutton, D. Lynn, A. Paly, M. Tindle, T. Semmerling, NOT PICTURED -- D. Chapman, D. Bowen, M. Murphy, K. Dahlman.

New Thespian Sponsor

The Speech contest and the fall play were the two biggest events for the Thespians.

The speech contest was a success and a great experience for many people in the club. The contest started off with a bang when Dan Lynn met the bus in his bathrobe.

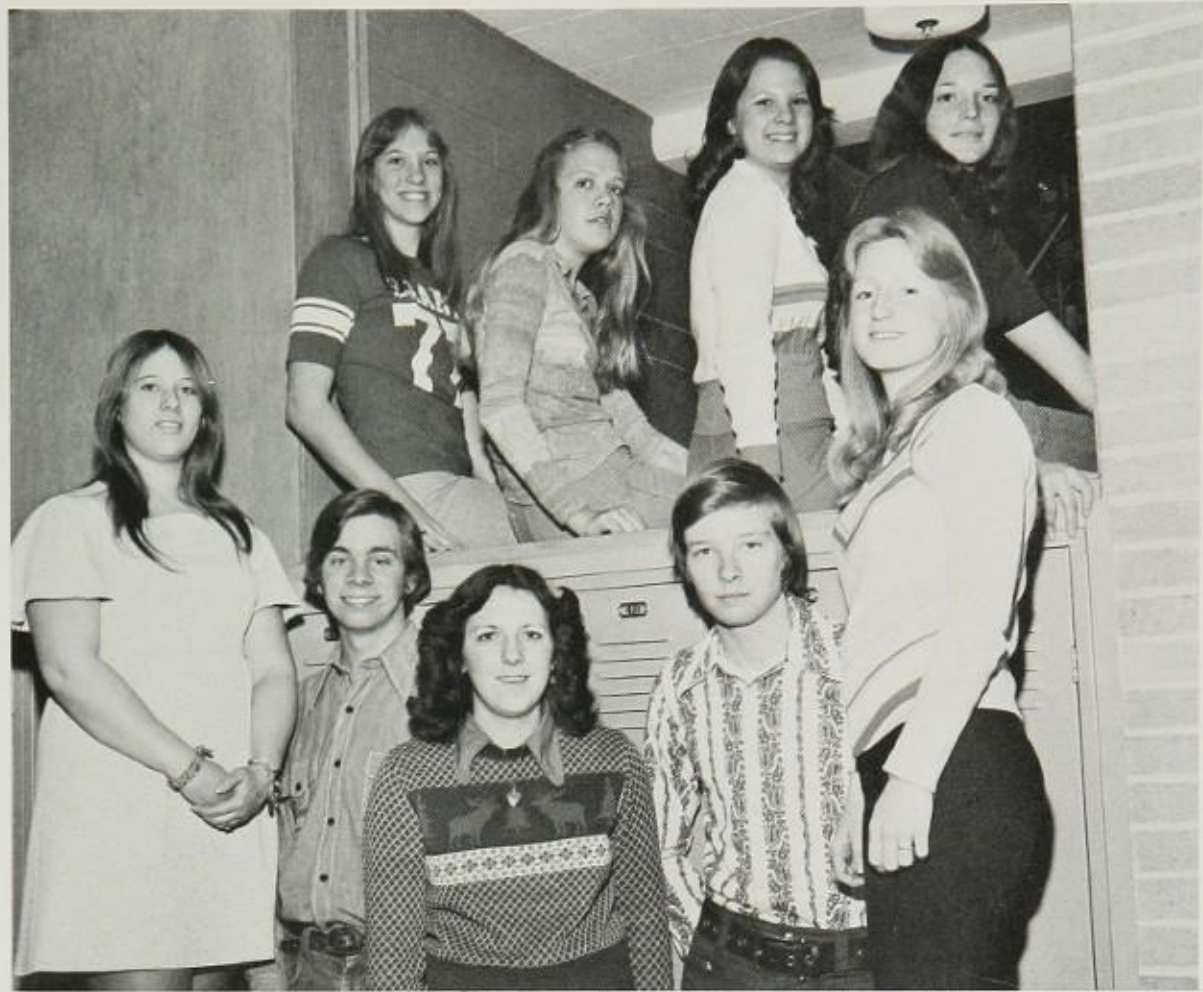

Alex Paly received a first place on his speech, which was said to be very outstanding. Ken Dahlman and Mark Tindle received a third place with a sketch called "Pencils." The fall play "Our Town" also proved to be a success. The cast did not have to use any props to get its point across. Karl Almquist, one of the cast members, was offered to audition for a scholarship at the Goodman Theatre.

The play got kind of scary, but exciting, when Frank came down with a sore throat.

EDITORIAL BOARD -- FRONT ROW: Mrs. Ozols, Sponsor; O. Paly, Editor. ROW 2: T. Perkins, Copy Editor; D. Stewart, Sports Editor. ROW 3: S. Bye, News Editor; S. Kahler, Managing Editor. BACK ROW: L. Bartoszek, Business Manager; W. Bush, Head Photographer; F. Pieper, Art Editor.

CONTRIBUTING STAFF -- FRONT ROW: C. Miller, M. Kubetz, K. Burt, K. Milz, S. Munster. BACK ROW: C. Lomas, G. Carlson, C. Banez, S. Alexander.

GENERAL STAFF -- FRONT ROW: M. Murphy, D. Rich, D. Lynn, K. Anfeldt. ROW 2: A. Biere, R. Bartoszek, K. Almquist, P. Marsoobian. BACK ROW: M. Homan, E. Gort, A. Schemmel, D. Freund, D. Walker, P. Shaw.

Bigger Profits, Bigger Paper

To make the school newspaper, "The Bulldog Bark," much participation is required. Therefore, not only a very qualified sponsor such as Mrs. Ozols, and an editorial board is needed, but also a general staff and contributing writers. With a lot of work, they printed a spectacular Homecoming issue. They also print a regular monthly issue. They raise money to pay for the newspapers by selling ads to businesses.

The Editorial Board meets on Tuesday after 7th hour, and the General Staff meets weekly after school.

ART CLUB -- FRONT ROW: P. Hemm, M. Phillips, M. Cali, Mr. Rendl, (Sponsor). BACK ROW: E. Tindle.

COIN CLUB -- LEFT TO RIGHT: A. Kratunis, C. Franke, S. Lusk, T. Ford, J. Twomey.

Art Dabblers

The Art Club spent the year dabbling with paint and paper. They enjoyed it, but said they need more dabblers.

Money, Money, Money

This year the Coin Club was introduced at Grant. It developed out of the Mini Courses, and is under the supervision of Mrs. Fish. Any interested misers are welcome to join next year as long as they bring their money.

Commercial Club Hits The Ice

The Ice Show and Amateur Show are the Commercial Club's biggest events. The Ice Show was held at the Chicago Stadium. The bus ride going to the show might have been funnier than the show itself, with flying lettuce and Mr. Garlanger's comments.

The Amateur Show, which was the 26th Annual, was a success once more this year, with the students' efforts.

Mr. Orr is the club sponsor.

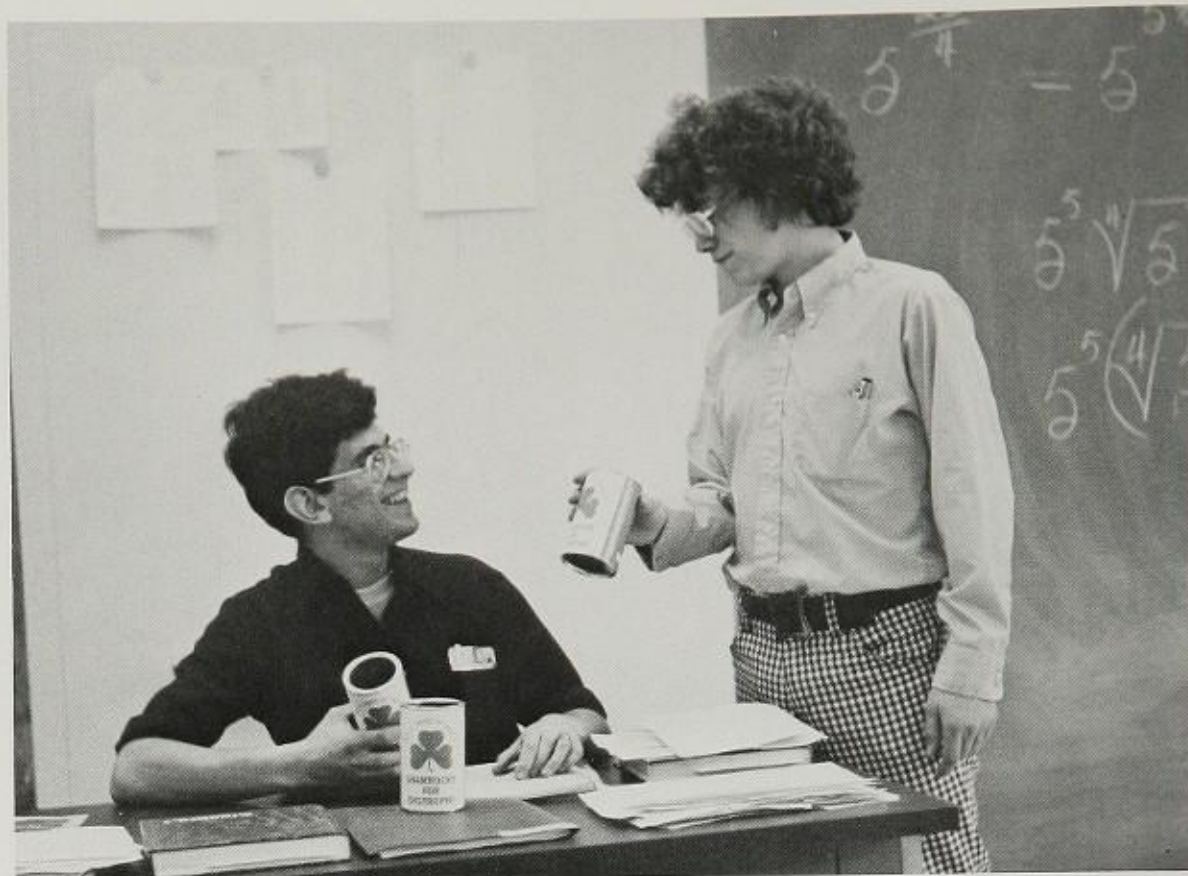

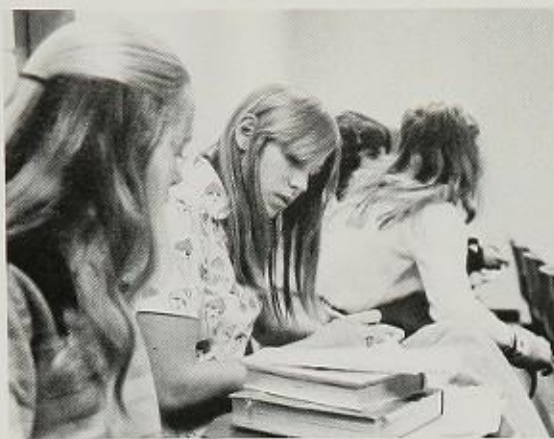

COMMERCIAL CLUB OFFICERS -- LEFT TO RIGHT: K. Lindsay, Vice-President; Mr. Orr (Sponsor); L. Badegian, Secretary; D. Gerard, Treasurer; NOT PICTURED: K. Thoene.

Chess Club Gets Rooked

This year the Chess Club played well during the club meetings. Spirits rose as each player tried to outwit his opponent.

CHESS CLUB -- FRONT ROW: P. DiDomenico, R. Rollinger. ROW 2: M. Vanderest, D. Lynn. ROW 3: A. Walker. BACK ROW: M. Schemmel, B. Szlag, F. Palazzo, D. Lynn.

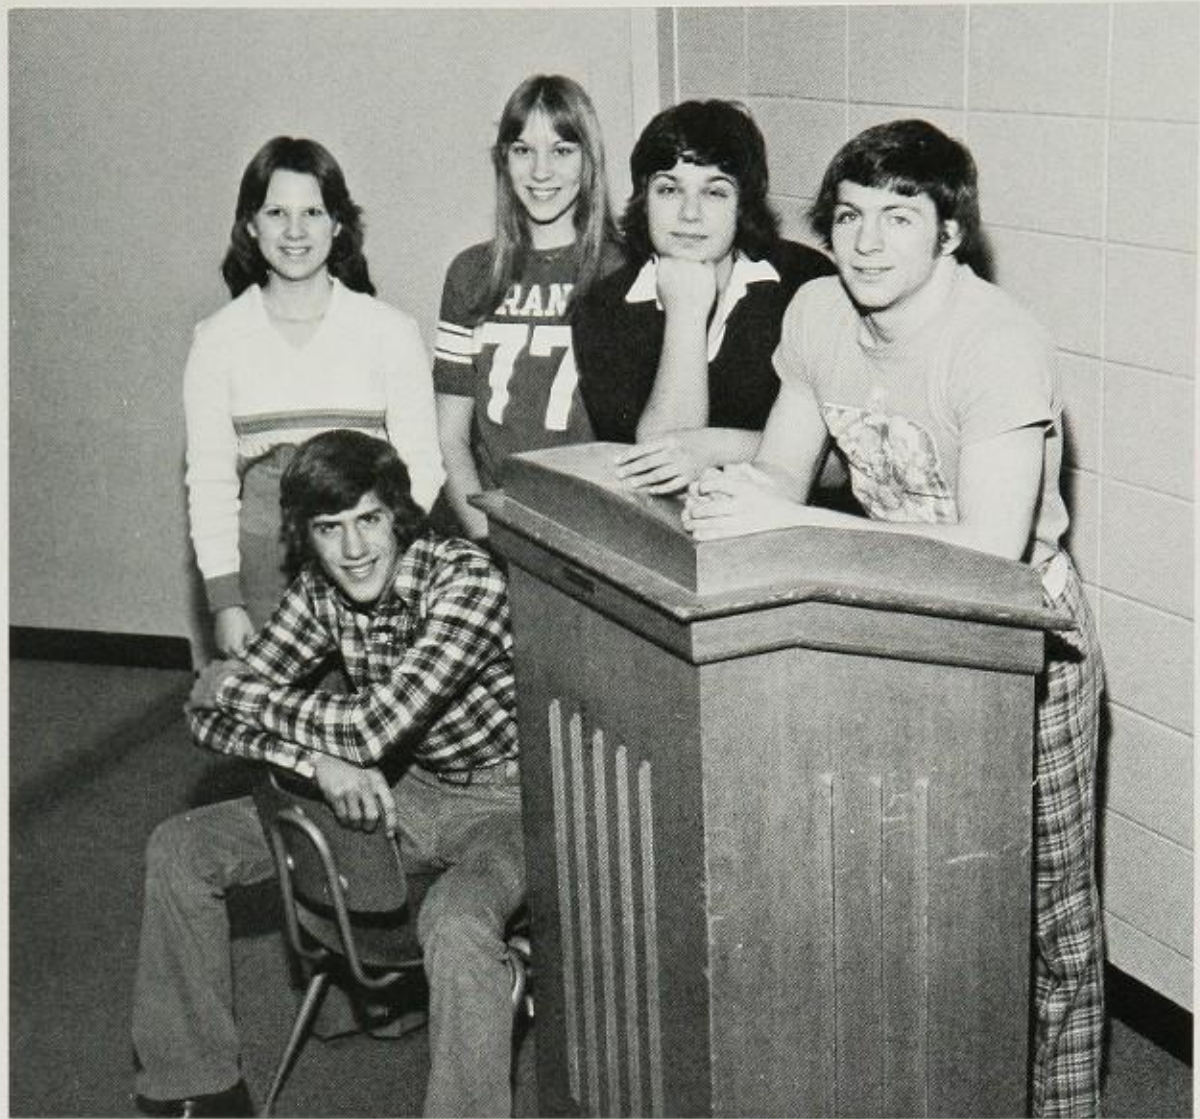

STUDENT COUNCIL -- FRONT ROW: U. Boerner, J. Engeln, N. Needham. ROW 2: K. Makas, H. Siepman, K. Mulligan, O. Paly. ROW 3: L. Prez, C. Bay, U. Ilmberger, J. Strand, J. Vickers, O. Paly, C. Grischeau, M. Badegian. BACK ROW: M. Loffredo, J. Korn, L. Najdowski, S. Barton, J. Caulfield, J. Badegian, C. Wehrstein, L. Bartoszek, G. Carlson.

Students Take Charge

The Student Council is one of the most active organizations at Grant. It consists of 7 representatives and the President from each class. Five officers are elected from the council and the meetings are held Monday, Wednesday, and Friday. The President of the council resides over the meetings with advice and help when needed from the sponsor, Mr. Atkins.

The Student Council organizes all of the Homecoming festivities and pays for most of them too. They also sponsor the Christmas Formal and rock dances, conduct all elections, raise money for the muscular dystrophy, and much more.

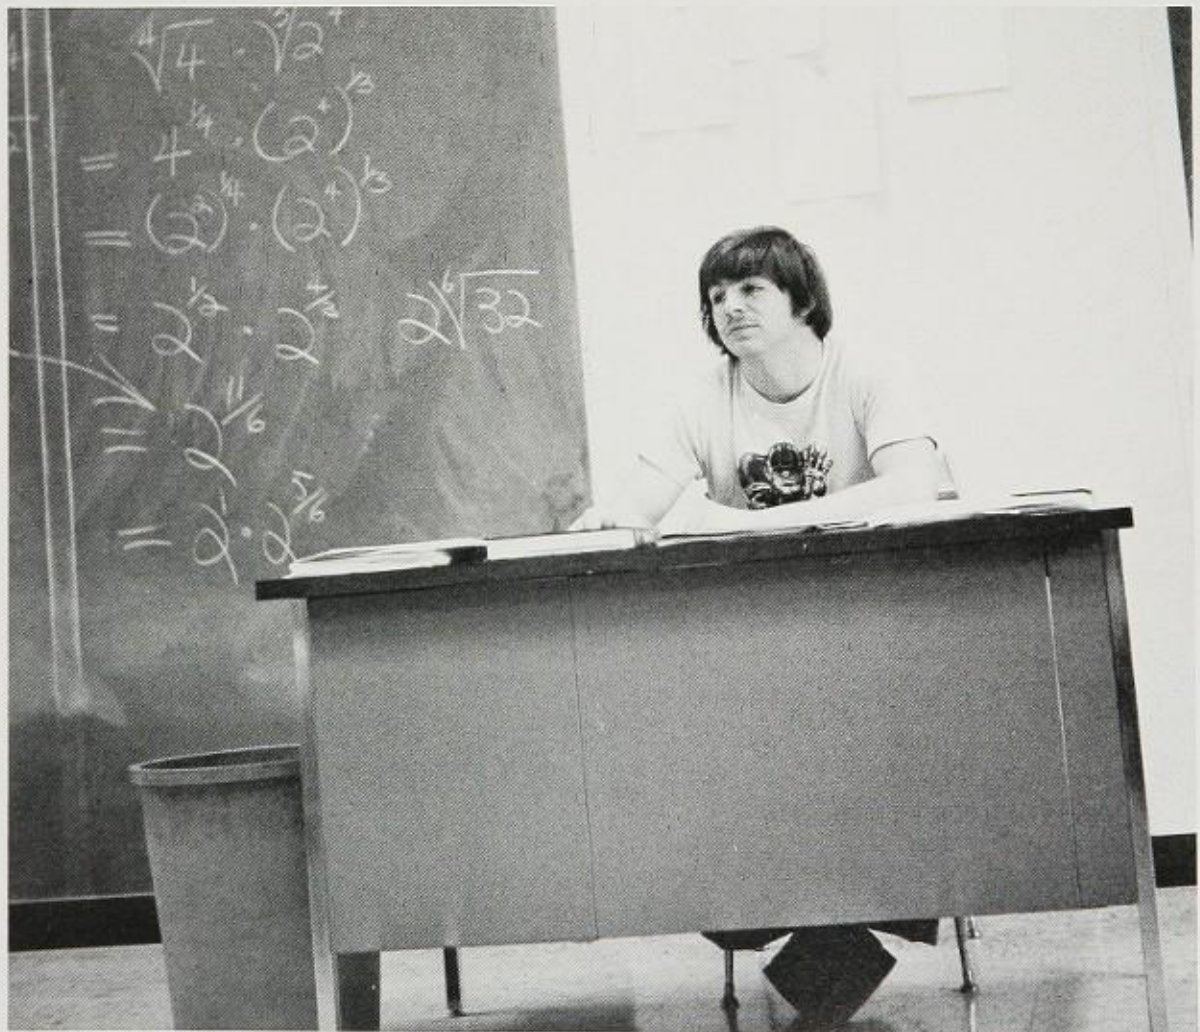

Although the meetings are characterized by much discussion and passing of propositions, there is some time for playing cards, making posters, and other projects.

STUDENT COUNCIL OFFICERS -- LEFT TO RIGHT: C. Carlson, Vice President; C. Banez, Recording Secretary; C. Lomas, Treasurer; D. Bowen, Correspondence Secretary; S. McLeod, President.

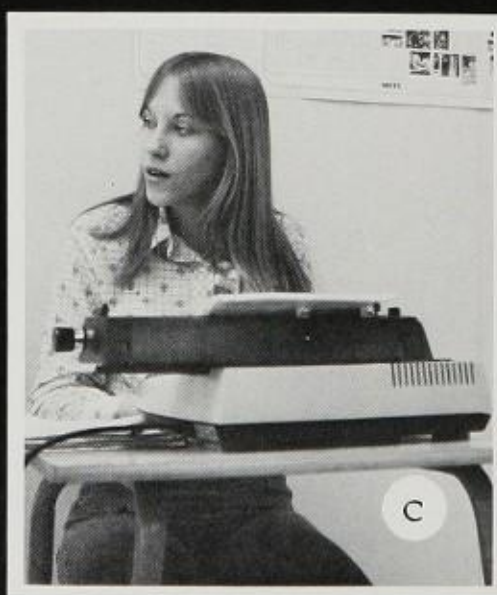

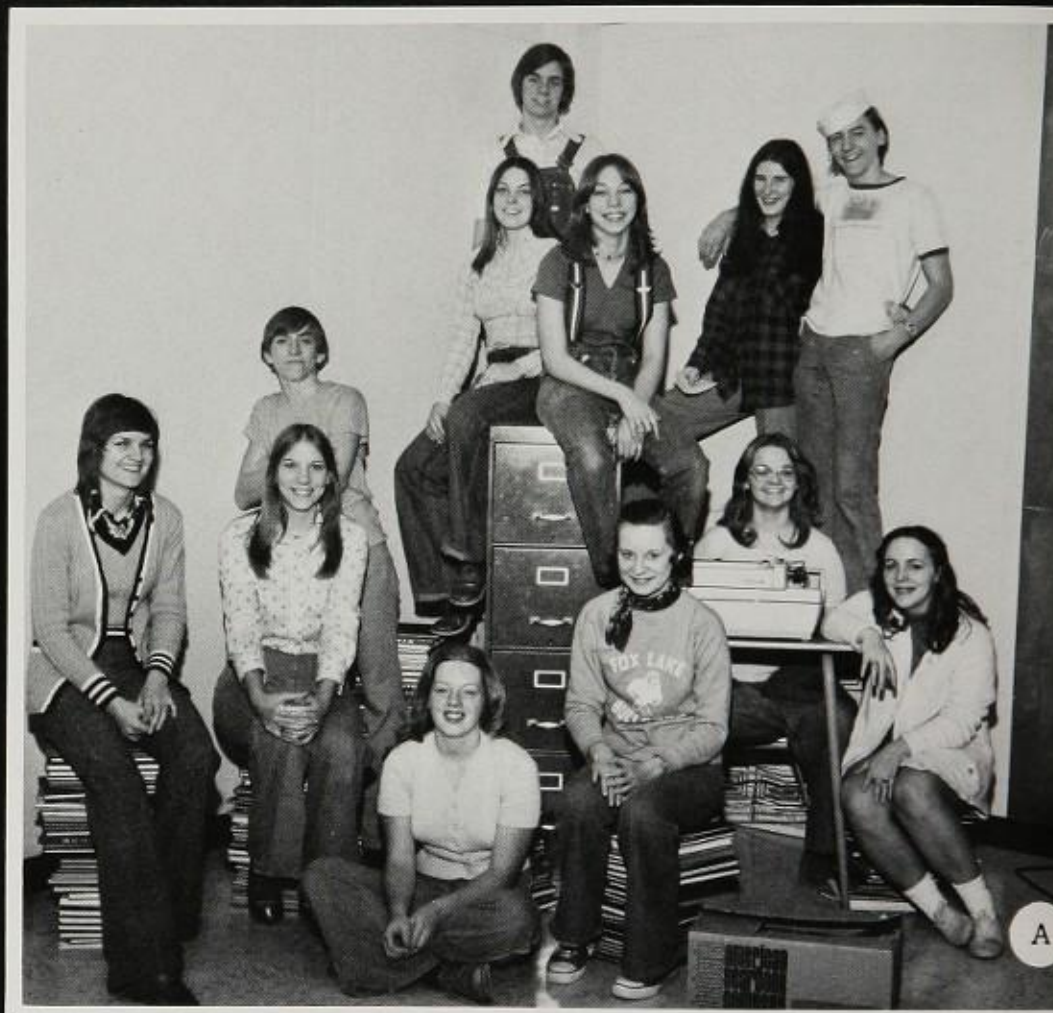

Sponsor--Mr. Atkins

A. CLOCKWISE FROM LEFT -- Mrs. Collins (Advisor), C. Lomas, T. Semmerling, K. Burnett, M. Kubetz, C. Bay, K. Lahey, J. Semmerling, R. Bauspies, D. Chapman, S. Smak, N. Needham. B. YEARBOOK EDITORS -- N. Needham, C. Hillebrand. C. PHOTOGRAPHY EDITOR -- C. Lomas. Not Pictured -- B. Cox, J. Cox.

YEARBOOK HAS CLASS

Yearbook this year was ... well different. Mostly because it was new as a class and credit was given. Even though there was an abundant number of students at the start, only a few dedicated stayed to suffer through the massive mess.

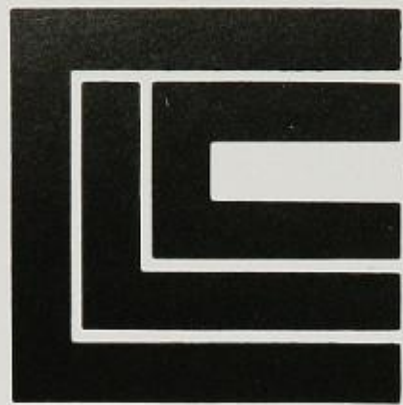

Once the new students learned what a copy key and a pica were, they settled down to a long year of layouts and confusion. Our money maker this year, as

always, was concession sales. The faithful yearbook workers sold food and drink 'til they dreamed about little red wieners and gallons of chocolate water. Remember those giant white mums all the girls wore at Homecoming? Those were the work of the yearbook staff.

Even though this year has ended, many memories will never be lost. How about those broken croppers? Millions of pictures that

were argued over. The numerous times our strobe broke. Living at McDonald's. Digging through tons of old newspapers. Affy Tapples 7th hour. Those little mice must have a good album with all our pictures. Where's the ladder? And no more Miss Reckers.

Many students do not realize it, but yearbook is a lot of work. And most of the new yearbook workers will agree 100%.

Seniors may be more than happy to be out, but along with the bad times are the sweet memories. Remember 8th hours, one-hour lunches, Sweetheart Schluter, lost in the new section and "Hello Dolly"? Or how about those super assemblies with a real hypnotist and knowing what "Spirit" really was? And then there's those terrible floats that each time you swore you'd never help again, but always did. Will Seniors forget the paper drives and candy bars slaved over to earn Junior Class Prom money? So even though you're out Seniors, always remember the "Happy Days!"

At last, a Senior! Finally made it! What a relief! Senior year is not only an ending, but a beginning. To college, to work, to play. Whatever, high school years are over. From the start when we were Freshmen shaking in our shoes, to Sophomores beginning to smarten up, to Juniors waiting for that one last year, and finally now, to Seniors realizing that it's really over with. Let's hope our class fulfills all it's goals; as it is finally our time to conquer the world.

"We should have won first place for our Homecoming float," said one of the members of the Junior class. Although they did not take first place in the float building this year, they can certainly be given credit for their achievements in other areas. Of their many money raising projects, the selling of Johnny Horizon recycled paper reached wide approval. On February 13, the Prom Committee sold Valentine flowers. The Junior class can be widely praised for the work towards this year's prom.

Sophomores took an early start this year on their future Junior Prom. They collected over \$1,400 profit for their efforts of selling grapefruit and oranges throughout the community. Lined up end to end, each grapefruit and orange would trail the complete distance from here to McDonald's. Congratulations sophomores and good luck on next year's prom.

The Class of '79 won first place on the fantastic Homecoming float they built at the Village Garage in Fox Lake. The theme of the float was: "Respect the red and white but beat the blue!" According to Steve Krueger, the freshmen "especially had fun by having staple gun fights."

Close your eyes and you will see clearly,
Cease to listen and you will hear truth.
Be silent and your heart will sing.
Seek no contacts and you will find union.
Be still and you will move forward on the
tide of the spirit.
Be gentle and you will need no strength.
Be patient and you will achieve all things.
Be humble and you will remain entire.

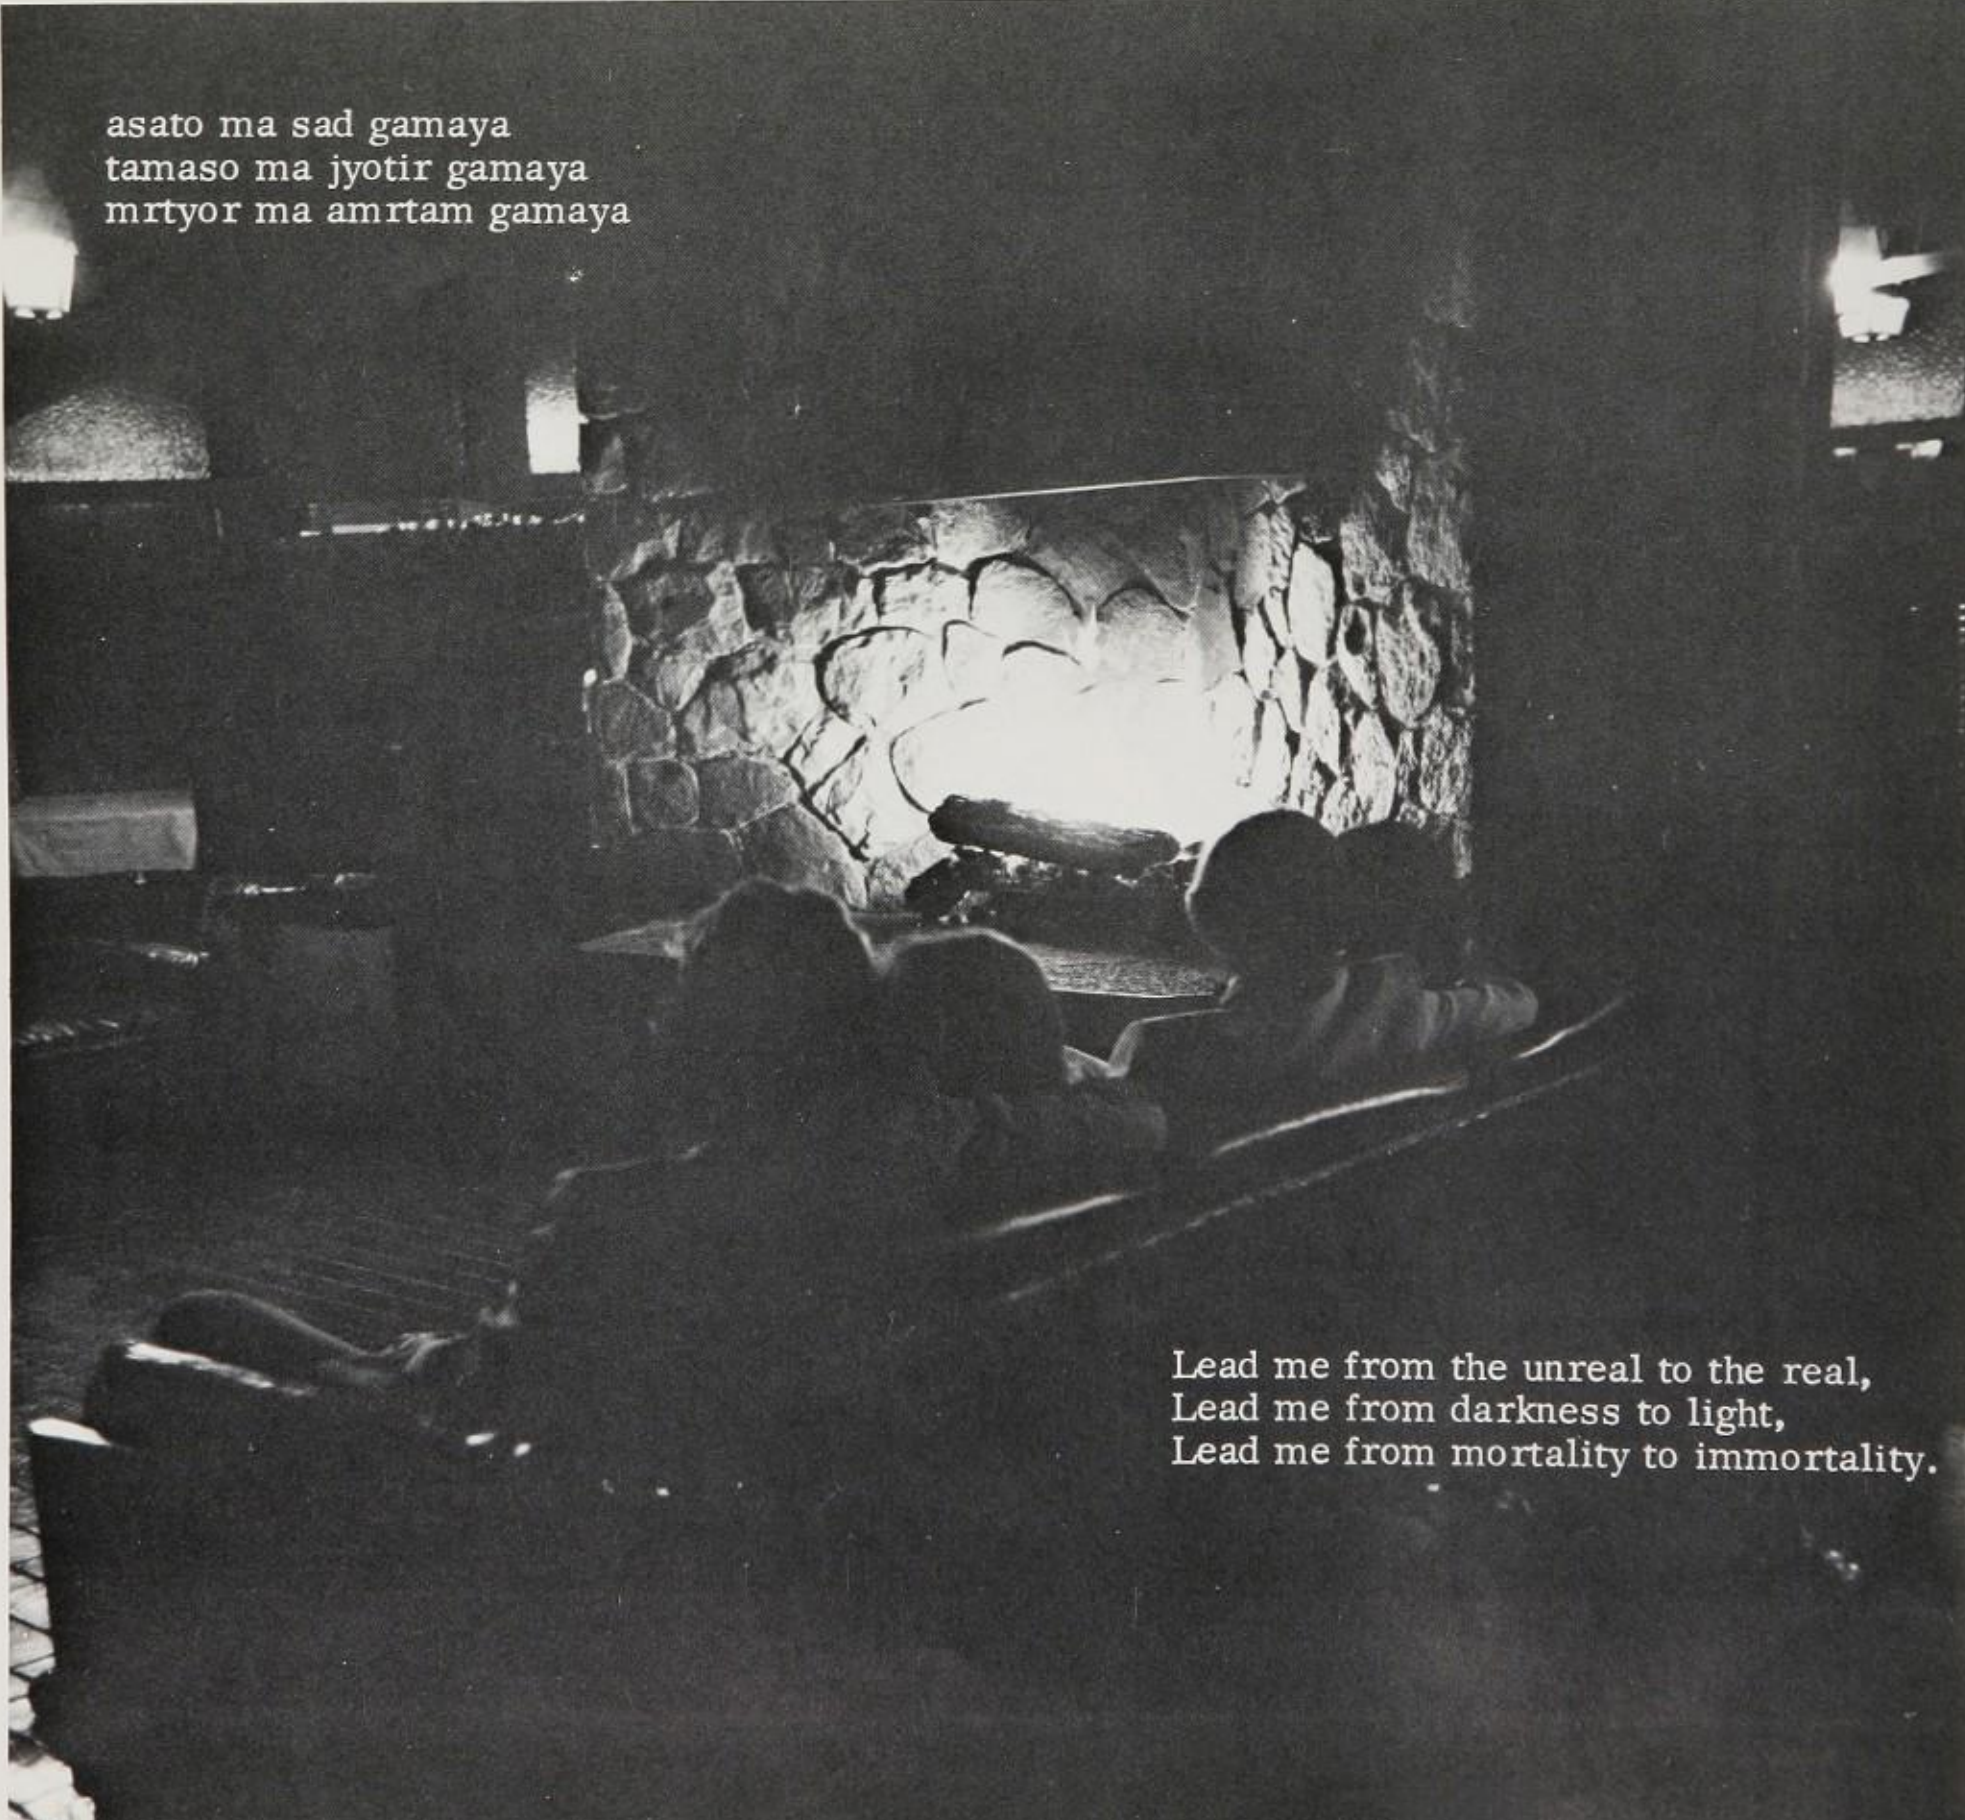

Taoist meditation

We wish the student body many prosperous hours. Because of the passage of the referendum Grant will continue to seek the light of knowledge. Thank you to those who opened their hearts so others could open their minds.

We would also like to thank those people who worked many long hours putting this book together. Special thanks to Mrs. Collins, for without her knowledge and guidance this book would not have been possible.

Hail to the Bulldogs

By Steve Kahler

With the prep football season over, it's time to pay tribute to the 1975 Bulldogs. Although their North-West Suburban Conference championship was a team effort, a few of the individuals who helped make it all possible deserve a special mention.

Bill Baxter, the head coach, and his assistants, who were instrumental in the team's success, deserve a special mention.

Kevin Kelly, a named all-city player, is the best (if not the best) player in the league. He can run for long yds.

Mike Simmons was named MVP for his performance throughout the season. The Bulldogs finished the season with a record of 10-1.

A whopping 6 feet 3 inches and a distinction of being the biggest Bulldog in the league, Mark was named MVP. Grant High School has the honor of being the only school in the league to have a player of this size.

Kids Transform Youth Center With Hard Work

Hard work and elbow grease, plus a whole three-day weekend of work over Labor Day weekend by a bunch of kids who could have been having fun elsewhere, have transformed the new Federation of Police headquarters into a bright place.

THE NEWLY RENTED vacant store at 38 E. Grand Ave., according to Sgt. James Busch, FOP President, is also going to be a youth center. Rita Bakula, owner, made the store available at a special rent.

Sears Roebuck and Co. donated paint. The kids, policemen and their wives supplied the manpower, with cleaning and painting now complete. The kids also cut down weeds and trees outside, cleaned up rubbish and trash next door and in back.

"Those kids really worked their tails off," Busch said. "I can't say enough for them," agreed Sgt. Raymond (Tiny) Leonhart.

BUSCH REPORTED a pool table and juke box are installed on a rental basis. Sears also gave some games, as did Woolworths. Fox Lake Office Supply donated bulletin boards. Still needed are folding chairs, tables, and ping pong table.

If anyone has any of these items, he can call the police dept. at the non-emergency 587-2380 number, Busch said.

THE FIRST meeting of the FOP is scheduled for the new headquarters for Sept. 16. Busch said senior citizens will also be invited to use the center for meetings, as will any other youth groups such as Girl and Boy Scouts.

"Eventually we hope to get a part-time work referral program going," Busch said, "maybe for baby sitters. We have a lot of plans."

STUDENTS FROM Grant and Shady Lane who worked on the clean-up project include: Charmaine Lomas, Gayle Carlson, Greg Carlson, Steve McLeod, Cherie Banez, Jamie Lee Busch, Deb Bowen, Joe Engeln, Nancy McDevitt, Marty McDonough, Jim Thillen, Mike Waynen, and Dorothy Schmidt.

Also helping out, police said, were a young woman they know only as Corky. Mrs. Mary Ann Militano, and Mrs. Doris Leonhart, plus policemen, Sgts. Leonhart, Busch, and Officers James Mentzer, John Sosnowski and Anthony Militano.
